For Immediate Release

Mayor Morris' Anti Litter Day Promotion

WHO: Mayor of Aurora, Phyllis Morris
Sue Walmer, Chair of the Town of Aurora's Environmental Advisory Committee
Catherine Marshall, Environmental Advisory Committee Member
Public Works Staff

WHAT: Mayor Phyllis Morris is extending an open invitation to residents, service groups, schools and businesses in Aurora to participate in the 5th Annual Mayor's Anti Litter Day on Saturday April 28, 2007 (rain date April 29th). In order to encourage residents to participate in helping keep Aurora clean, Mayor Morris and colleagues will be working together to clean up the streets of Aurora armed with garbage bags, gloves and other useful tools.

This location was chosen to remind drivers leaving the highway and entering Aurora that we do not welcome litter. It is an area that appears to be heavily littered during, all seasons. At 8:45 A.M., the Town of Aurora will be displaying the new 3-ton dump truck on the shoulder at the 40mile mark to allow visitors to park in front of us.

WHERE: The south side of Wellington St. East between the 404 northbound off ramp to about 40m west.

WHEN: Tuesday April 24, 2007 at 9:00 .a.m.

WHY: The Mayor's Anti Litter Day is an important Town-wide initiative that will help preserve the natural features of Aurora. The premise behind this day is not just focusing on litter pick-up but also about educating all stakeholders on ways to keep our Town litter free.
