Come and explore over 100 acres at Aurora's Urban Oasis - the Aurora Arboretum

One of the most spectacular times to visit is in the spring when the flowering trees and shrubs are in bloom. Near the end of April to early May, the Field of Gold showcases over 12,000 daffodils. See the map on our website.

Enjoy the wildlife, variety of trees and flowering shrubs by hiking, cycling, running or walking the trails. Be sure to visit frequently to experience the changing landscape throughout the seasons.

The trails are maintained by volunteers. We are always looking for assistance in keeping trees watered, trails cut, weeds pulled or new trees planted.

The Aurora Arboretum is a town park bordered by St. John's Sideroad, Industrial Parkway North and Wellington St. The Arboretum is open year round with over 10km combined, of grass, stone and paved trails.

Visit our website to learn about how to volunteer and upcoming events.

GENERAL AQUATIC INFORMATION

BEFORE SWIMMING LESSONS START

The Town of Aurora Aquatics Team will be emailing session information prior to the first swim lesson. Please ensure your email is updated in e-PLAY to receive this information.

WHAT LEVEL SHOULD I REGISTER IN?

Visit our pool and one of the Aquatic Staff can assist you in determining what level to register in. The Aquatics division offers free swimming lesson assessments.

MAKE-UP LESSONS

Occasionally lessons may be cancelled due to pool fouling, mechanical, or chemical problems. Makeup classes or credits due to participant's illness or personal commitments will not be available. Where a pool may close in an untimely manner, the Town will attempt to accommodate the disruption where applicable (for example - move to a different pool at the SARC or complete dry land water safety activities). If over half of the class is unable to be completed satisfactorily a credit may be issued.

GENERAL POOL RULES

- Disposable and cloth diapers are not permitted in the water. Please use swim diapers designed for pool use.
- Individuals with a serious medical condition should be accompanied in the water with another individual knowledgeable of their condition and inform the lifeguard.

- Please do not bring food and/or beverages onto pool decks or viewing galleries. Only water contained in plastic or non-breakable containers is permissible.

POOL FOULING/CLOSURE

To reduce the number of closures due to pool fouling, participants not toilet trained are required to wear snug fitting plastic pants or swim diapers. Also, please keep eating to a minimum prior to swimming. Disposable swim diapers are carried at both the A.F.L.C. and S.A.R.C., and can be purchased at the reception desk.

PARENT'S DAY

Parent's Day will take place during the 5th lesson. Classes will end 5 minutes early to give parents the opportunity to talk to their child's instructor about their progress; please remember to remove your shoes. Please note that picture taking is only permitted on Picture Day.

PARENT & TOT 3

Age: 2 to 4 years

The in-water interaction between parent and child is designed to stress the importance of play in developing water-positive attitudes and skills. This class is designed for the participant to learn to enjoy the water with the parent. These activities and progressions are based on each child's development, and we recommend parents register in the level appropriate to their child's age.

Note: 1 guardian per child.

INCLUSION SERVICES

The Town of Aurora welcomes and encourages residents of all abilities to have equitable and meaningful access to recreation opportunities. This is accomplished through specialized programming, individualized support options and accessible facilities for patrons with disabilities or unique needs. Service animals are welcome at all Town owned and operated facilities.

INTEGRATED OPPORTUNITIES

Additional Support

Participants with disabilities and unique needs are encouraged to take part in year-round recreation programs that suit their interests and hobbies. If assistance is required outside of the typical staff to participant ratio, individuals have the following options:

• 1:1 Town Support Staff

Inclusion 1:1 support staff are available to facilitate participation in all Town of Aurora recreation programs. A support staff may provide redirection for safety reasons and allow opportunities for sensory or emotional breaks. Upon request, the Town of Aurora will do their best to arrange a 1:1 support staff for a participant based on availability and resources. In most cases, 1:1 support can be arranged, however, we ask families to provide at least two weeks notice prior to the start of a program to allow for adequate time to confirm a staff member.

• External Support Workers

The Town of Aurora welcomes external personal support workers into all our programs and drop-ins at no additional registration costs. An external support worker can include a parent, family member, or paid external staff member at the expense of the family.

Participants require additional support if:

- They have extra support at school or at home;
- A physical, medical, or developmental/learning disability exists that affects the safety of others;
- Extra support is required at home for basic care such as dressing and toileting;
- The individual is currently associated with a support agency or program; or
- There are challenging behaviours to be managed.

PEDESTRIAN TRAIL SYSTEM

The Town of Aurora is fortunate to have an extensive pedestrian trail system which connects many of its neighbourhood parks, Town facilities and open space corridors. Presently the Town maintains approximately 62 kilometers of trails.

Come out and enjoy a leisurely hike through the natural valley land setting of mixed forests, meadows and wetland habitats of the Holland River Valley. This is Aurora's longest trail corridor stretching from Evans Park on Bayview Avenue south of Vandorf Sideroad all the way up to St. John's Sideroad and includes the Tim Jones Trail (Nokiidaa Trail), the Klaus Wehrenberg Trail as well as the Sheppard's Bush trails. These trails link municipal facilities such as the Town Hall, the Senior's Centre and the Aurora Family Leisure Complex, as well as the Aurora Community Centre, Sheppard's Bush, and Lambert Willson Park.

Other significant trails include the Lakeview/Willow Farm Trail located within the forested hills of St. Andrews in northwest Aurora, the David Tomlinson Nature Reserve Trail in the Marsh Creek valley lands of northeast Aurora, and currently under construction, the Highland Gate trail in the former Highland Gates Golf Course lands.

All Aurora trails are considered multi-use, with the primary focus being pedestrian hikers. Opportunities also exist for cross country skiers. The majority of our trails are compact gravel surfaces with some asphalt sections through neighbourhood and community parks. Please note that our trails are not groomed or maintained during winter months, and conditions vary widely. Surface conditions can change dramatically during the winter to create potentially hazardous hiking and skiing conditions. All users are advised to respect other trail users, to stay on designated trails and to exercise caution at all times.

COMMUNITY PARKS & SPORTS FACILITIES

The town currently has over 75 parks and open space areas including 44 playgrounds encompassing over 700 acres, 5 children's water-play splash pads, 35 soccer fields, 18 ball diamonds and a wide variety of other recreational activities. Please come out and enjoy what Aurora has to offer! Full details at www.aurora.ca/parksandtrails

DAVID TOMLINSON NATURE RESERVE

The David Tomlinson Nature Reserve consists of marshland, open-water ponds, meadows and forests in the Marsh Creek valley lands located between Bayview Avenue and Leslie Street, north of Wellington Street East. Main access points include the Stronach Aurora Recreation Centre and Johnathan Bales Parkette.

Park users should note that much of the nature reserve contains environmentally sensitive areas and habitat for many species of flora and fauna, and the intent is to restrict pedestrian access to these areas to allow nature to flourish. We request that park users stay on the trails and respect the truly unique features that are contained within the nature reserve. Viewing platforms have been provided at two

critical locations and have been designed to screen pedestrians from wildlife that would otherwise be startled should pedestrians remain in plain view. Additional native trees and shrubs will be planted over the next few years to help buffer pedestrian activity from environmentally sensitive areas.

MEMORIAL TREE & PARK BENCH DEDICATION PROGRAM

Would you like to establish "Lasting Roots" in your community? Are you looking for a unique gift idea for that special person or occasion? AURORA ADOPT-A-PARK IS YOUR CHANCE TO GROW WITH THE COMMUNITY

Did you know that the Adopt-A-Park program provides local businesses, community groups and residents with the opportunity to enhance the environment and beautify our town by assisting with the maintenance and development of Aurora's parks and trail systems? Adopt-A-Park continues to:

- Create opportunities for citizens to support our parks and green spaces.
- Share the responsibility for a clean community.
- Develop opportunities for youth involvement.
- Build community pride and a sense of ownership in our parklands.

There are a number of ways to become involved in this exciting program. Please contact the Parks Division at 365-500-3134 for further information or email sking@aurora.ca.
