Online Skylight Gallery Exhibition

Feature Artist: Osy Porat - Between Dream and Reality

For the month of May, Aurora's Online Skylight Gallery is featuring works by Osy Porat. The exhibition "Between Dream and Reality" is a fascinating journey that explores the unconscious human state. The artist Osy Porat draws inspiration from her academic education in psychology, especially from her attraction to Carl Jung's analytical psychology. Her artwork combines acrylic pouring techniques with realism painting. This combination connects the conscious and the subconscious mind in a visual sense. It invites the viewers to focus and fill in the gaps with their imagination and thought. The show will leave the viewer alert and provokes mixed feelings like a well told story. All work is for sale, please contact Andrea Araujo at aaaraju@aurora.ca if you are interested in purchasing a piece. View this online gallery at aurora.ca/skylightgallery.
