Online Skylight Gallery Exhibition

Featured Artist: Samantha Jones - Disembodied

For the month of February, you are invited to visit the drawings and paintings of artist Samantha Jones entitled Disembodied. Meditating on her own experience growing up in a suburban home in Aurora, Samantha creates micro-detailed artworks that translate the ambience of a space through familiar textures, objects, and backgrounds rooted in both reality and the dream world. Through her art, Samantha creates scenes that spark a sense of nostalgia in the viewer, as well as anxiety. These contrasted and conflicted emotions are what one may encounter while reflecting upon their experience in a suburban hometown.

Enjoy touring this month's Aurora's Skylight Gallery exhibit located in Aurora Town Hall, available for in-person or online viewing opportunities. All work is for sale, please contact Catarina Petta at cpetta@aurora.ca if you are interested in purchasing a piece. For full details, visit aurora.ca/skylightgallery.

Do not place waste bins on the road

Please do not place your garbage, recycling or green bins on the road.

Our snowplows cannot properly clear the streets of snow and ice when bins are on the road. This causes unsafe road conditions for residents.

Clear an area on your driveway to place your bins and keep them back from the road.

Placing your waste and recycling bins on the roadway is a violation of the Collection Solid Waste and Recyclable Materials By-Law 5590-14.

For more information, visit aurora.ca/snow.
