TURN IT OFF.
Anti-Idling Policy in effect.

Did you know that Aurora is idle-free?

Our anti-idling policy states that as a motorist you MUST turn your vehicle off after 3 consecutive minutes of idling, unless in traffic.

But why not take it one step further and turn your vehicle off if you are going to be stopped for more than 30 seconds. This will help in our goal to reduce 80% of Aurora's greenhouse gas emissions by 2050.
