▶ ASA Board of Directors

As I write this, we are well into the last official month of winter. I hope I don't jinx us when I say that it hasn't been too bad so far and in fact quite unusual with the lack of snow and up and down temperatures. Let's all hope for an early and pleasant spring.

Membership renewals have come in at a great pace and the Centre continues to be a buzz of activity. There is always so much going on, but I will highlight a few major events coming up. It's time to start the process of Board of Directors elections. There will be three vacancies to fill, and nominations open soon. Look for signs on the bulletin board and a notice in this newsletter for how to get involved. I hope some of you will consider putting your name forward as a candidate to help us continue our work on behalf of the membership. Everyone is welcome to attend our Board meetings on the third Monday of each month beginning at 1 p.m. at Town Hall. This is a good way to come and see what it's all about.

We will be holding our second Town Hall meeting on Wednesday, March 27 at 1 p.m., so come out to the lounge and bring questions or suggestions along with you.

The Town staff are great, but it's no secret that the volunteers are the heart and soul of the Centre. We want to acknowledge them for their contribution and are planning a recognition lunch on April 6. Everyone who has volunteered for a minimum of 20 hours over the past year will receive an invitation. It is going to be a great event with lunch and entertainment.

On April 29, we will be holding the Giant Indoor Garage Sale. This is a major fund-raiser for the Centre, which requires a great deal of planning and many volunteers. Thanks to Glenn Reed for once again taking the lead on this project. Please consider offering to help out or by donating items for sale. All the money goes back to the Centre.

The parking lot is always jammed so we know the Centre is busy. It's great to see so many people enjoying the activities available.

▶ ASA Recording Secretary Volunteer Needed

Are you interested in how decisions regarding your activities at the Centre are made? Volunteering at Board of Directors Meetings provide an opportunity to observe and have input into those proceedings.

Our long serving Secretary of the Board - whose role includes the maintenance of all official Association records, contracts, etc., and our recording officer are looking for an interested individual to provide assistance for recording the minutes of all meetings of the Board of Directors.

Time requirement - approx. 6 hours/month - includes preparation and distribution of agenda, recording, transcribing and distribution of minutes.

Internet access and computer skills in email and word processing are required. Zoom knowledge is an asset, however we are willing to train the appropriate candidate

Please contact Board Secretary John Scherrer at john.scherrer@hotmail.com or Recording Officer Lydia Schuster at schuster_lydtony@hotmail.com to have your questions answered or to inquire about the position.

▶ ASA Activity News

ASC Library

Changes in February

- We have installed the new bookcase beside the puzzle table. Please check it out as we have moved some authors over from the other side of the room.

Book and Puzzle Donations Suspended

- We ask you to temporarily suspend your donations of books and puzzles to the library and donate them to the Spring Garage Sale. The Garage sale is being held on April 28 with donations accepted on April 26 & 27. Please contact me at Kevin.Griffiths4881@gmail.com or drop by the library if you have any questions on this temporary suspension of donations.

Borrowing Books

- The process is straight forward as there is no sign-out. You can borrow as many as you wish and then return them when you have finished reading them.
- We have noticed that some borrowers when introduced to a new author borrow all available copies of their books. Please limit yourself to 2 copies of a single author thus leaving some for other borrowers. We may consider James Patterson an exception to this limit.

General Administration

- Please place your returns in the return box by the door. Leave them on the top of the box should they be too thick to fit through the slot.

**Admission at the Door:

Light Refreshments & Cash Bar

We are pleased to announce a second Swing dance! This easy-to-learn and lively dance style belongs to the group of swing dances and is danced under fast (and faster) swing music, including lindy hop, rock and roll, and boogie-woogie. Our instructors, Carolyn and Tom will do a review of the basic moves and then move to new routines to accommodate the dancers from the previous class and also any newcomers.

We will start at 7pm with a one hour group lesson, and then we'll dance and practice the steps to a great blend of swing and rock-and-roll songs to many of which you can also dance jive, 2-step or your own freestyle routine. Then we'll transition to a more relaxed pace, including the most favored ballroom and line dances.

Tips on Having a Successful Phone Call

- **LET THE FACILITATOR LEAD:** To reduce confusion on the phone it is important to let the facilitator or guest speaker guide the conversation or activity.
- **USE THE ME/NOT ME RULE:** Remember to give everyone a chance to speak. This includes making sure to not talk over or disrupt someone while they are speaking. This also includes being mindful that every time you comment on something, it might not be giving space for someone else, or allowing the program to continue smoothly.
- **BE MINDFUL:** Be mindful that everyone has a story, a background, and a different way of looking at the world, and/or different communication styles.
- **REDUCE BACKGROUND NOISE:** Plan to be in a location with reduced background noise. Turn off anything that might make noise (televisions or radios), also consider pets. Be aware that the facilitator may mute your line if there is too much background noise.
