WHAT IS AN OFFICIAL PLAN & WHY DOES IT NEED UPDATING?

The community's vision for growth and development is implemented through an Official Plan, which is a land use planning document for the entire municipality. The Official Plan sets out the goals, objectives and policies to manage and direct physical change and the effects on the social, economic, built and natural environment of the municipality. The Town of Aurora is initiating a review of its 2010 Official Plan in accordance with Sections 17 and 26 of the Planning Act to make sure the policies conform with changes to provincial plans and documents and to ensure they continue to reflect the changing needs of the Town.

DIALOGUE IS ENCOURAGED

The meeting will be held at Town Hall, but will not be open to the public. Only Council and required staff will be present. You can provide your input on the Official Plan Review by speaking at the General Committee Meeting of Council and/or make written submissions to the Clerk of the Town of Aurora.
