Online Skylight Gallery Exhibition

Featured Artist: Samantha Jones - Disembodied

For the month of February, you are invited to visit the drawings and paintings of artist Samantha Jones entitled Disembodied. Meditating on her own experience growing up in a suburban home in Aurora, Samantha creates micro-detailed artworks that translate the ambience of a space through familiar textures, objects, and backgrounds rooted in both reality and the dream world. Through her art, Samantha creates scenes that spark a sense of nostalgia in the viewer, as well as anxiety. These contrasted and conflicted emotions are what one may encounter while reflecting upon their experience in a suburban hometown.

Enjoy touring this month's Aurora's Skylight Gallery exhibit located in Aurora Town Hall, available for in-person or online viewing opportunities. All work is for sale, please contact Catarina Petta at cpetta@aurora.ca if you are interested in purchasing a piece. For full details, visit aurora.ca/skylightgallery.
