CULTURE DAYS
SEPTEMBER 22 - OCTOBER 15

aurora.ca/CultureDays

Online Skylight Gallery Exhibition

Featured Artist: Irene Schaefer - Land, Water, Flowers

For the month of September, you are invited to visit the artwork of artist Irene Schaefer entitled "Land, Water, Flowers". The artist uses vivid colours of acrylic paint to present a series of work inspired by her travels and observations of nature. The landscape series will take you through different seasons and changing colours. The water series shows experiences around water and the nature of water flow. The flower series was created to extract the vibrancy of a particular colour tone that evokes an uplifting feeling.

You can view this artwork in-person at Aurora Town Hall in the Skylight Gallery or view online at aurora.ca/SkylightGallery. All artwork is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful piece of art.

Safe Water Disposal Practices

Pool season is coming to an end! As you close your pool, remember that pool water is harmful to aquatic life. Help us keep our streams, creeks and Lake Simcoe healthy and full of life by following proper pool and spa discharge steps.

For more details visit aurora.ca/Pool.

TURN IT OFF. Anti-Idling Policy in effect.

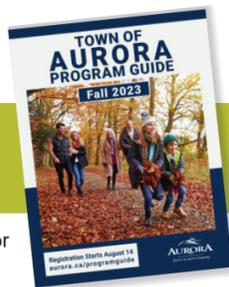

Did you know that Aurora is idle-free?

Our anti-idling policy states that as a motorist you MUST turn your vehicle off after 3 consecutive minutes of idling, unless in traffic.

But why not take it one step further and turn your vehicle off if you are going to be stopped for more than 30 seconds. This will help in our goal to reduce 80% of Aurora's greenhouse gas emissions by 2050.
