   CARRIED
27 Allaura Boulevard

Planning staff, with the acknowledgement and consent of the Applicant, request deferring the Application until the related Application for Site Plan Approval is considered by Town Council.

Moved by Roy Harrington                     Seconed by Tom Plamondon

THAT Minor Variance Application MV-2016-35A-B be DEFERRED until related Application for Site Plan Approval is considered by Council.

CARRIED

3. Minor Variance Application: MV-2016-33 - Ofield  
183 Willow Farm Lane

The Applicant has submitted an Application to allow a decrease in interior side yard setback. Section 10.7.2.2 of the Zoning By-law requires 1.5 metres interior side yard if two adjoining lots have combined minimum frontage of 60 metres or greater. The Applicants is proposing to build an accessory structure with interior side yard sidetrack of 1.2 metres; thus requiring a Variance of 0.3 metres.

The Chair read through the purpose of the Application. In attendance was the agent Alfie Zagar.

The Committee asked if the cabana had already been constructed. Mr. Zagar stated that it was. They only discovered after it was constructed that they were not in compliance with regulations.

Moved by David Mhango                     Seconed by Carl Barrett

THAT Minor Variance Application MV-2016-33 be APPROVED.

CARRIED
4. Consent Application: C-2016-05 – Brookfield Homes (Ontario) Ltd.
155 Vandorf Sideroad

The Owner has submitted a Consent application to allow an easement to be conveyed over the subject property to the adjacent condominium corporation to allow access to sanitary sewer and related facilities.

The Chair read through the purpose of the Application. In attendance was the agent Lincoln Lo.

The Committee asked if the existing services within the proposed easement could be used for additional residential developments. Mr. Lo acknowledged lands are to be conveyed by easement to implement agreement between the developer and Beacon Hall Condominium Corporation.

Staff responded that this easement was between two private landowners, however, cannot comment on potential development within the subject lands of Beacon Hall.

Moved by Carl Barrett                Seconded by Roy Harrington

THAT Consent Application C-2016-05 be APPROVED subject to conditions in the report.

CARRIED

5. Minor Variance Application: MV-2016-34A-C - Emsley
20 Catherine Avenue

The Applicant has submitted an Application to allow a reduction in minimum interior side yard setback, increase in eaves encroachment and an increase in building height to construct an accessory structure (garage). Section 11.2.2 of the Zoning By-law requires minimum interior side yard of 1.2 metres. The Applicant is proposing to construct a detached garage which is 0.3 metres to side property line (west), thus requiring Variance of 0.9 metres. Section 6.48.1 of the Zoning By-law allows eaves to encroach 0.7 metres to any required yard. The Applicant is proposing to construct eaves that encroach 1.2 into the minimum required side yard (west), thus requiring Variance of 0.5 metres. Section 6.2.3 of the Zoning By-law requires maximum height of 3.5 metres for accessory structure. The Applicant is proposing to construct detached garage with height of 3.7 metres; thus requiring Variance of 0.2 metres.

The Chair read through the purpose of the Application. The Chair noted staff recommendation in reducing the Variance request for MV-2016-34A and MV-2016-34B. In attendance was the Applicant Ian Emsley.
Mr. Emsley stated he was aware of the staff recommendation to revise MV-2016-34A and MV-2016-36B and was in agreement. Mr. Emsley explained that his property was a deep lot but the width was the issue and hence his Variance Application request.

Moved by Tom Plamondon
Seconded by David Mhango

THAT Minor Variance Application MV-2016-34A-C be APPROVED subject to conditions contained in the report and the following amendments:

1) That Application MV-2016-34A to permit minimum interior side yard setback for proposed accessory structure of 0.3 metres be amended to 0.6 metres.

2) That Application MV-2016-34B to permit eaves to encroach 1.2 metres into any required yard be amended to encroach 0.9 metres into the required yard.

CARRIED

20 Wellington Street East

The Applicant has submitted an Application to allow a reduction in manoeuvring spaces adjacent to 90 degree parking stalls. Section 21.22.2.5 v) of the Zoning By-law requires a minimum of 7.0 metres for a manoeuvring space adjacent to 90 degree parking stalls. The Applicant is proposing 6.4 metres manoeuvring space; thus requiring a Variance of 0.6 metres.

The Chair read through the purpose of the Application. In attendance was agents Harold Macdonald and Michelle Tremblay.

The Committee asked about the transformer on the subject property. Mr. Macdonald stated that the transformer was currently on a pole. However, Powerstream requested it be moved. As such, it would now be placed in the parking area thereby eliminated one space. Ms. Tremblay also indicated that the parking stall width here was larger than other municipalities in which she had done work.
Staff stated that in the Town's proposed new Zoning By-law, it would also require 7.0 metres manoeuvring space. However, the number of parking spaces required here is in compliance.

Moved by David Mhango
Tom Plamondon Opposed

Seconded by Roy Harrington

THAT Minor Variance Application MV-2016-36 be APPROVED subject to condition in the report.
