(14) Correspondence from Association of Municipalities of Ontario
Re: What’s Next Ontario? Resolution
1. That the Correspondence from Association of Municipalities of Ontario regarding What’s Next Ontario? Resolution be received; and

2. That the following What’s Next Ontario? Resolution as put forward by the Association of Municipalities of Ontario be endorsed, as amended:

Whereas recent polling, conducted on behalf of the Association of Municipalities of Ontario indicates 76% of Ontarians are concerned or somewhat concerned property taxes will not cover the cost of infrastructure while maintaining municipal services, and 90% agree maintaining safe infrastructure is an important priority for their communities; and

Whereas infrastructure and transit are identified by Ontarians as the biggest problems facing their municipal government; and

Whereas a ten-year projection (2016-2025) of municipal expenditures against inflationary property tax and user fee increases, shows there to be an unfunded average annual need of $3.6 billion to fix local infrastructure and provide for municipal operating needs; and

Whereas the $3.6 billion average annual need would equate to annual increases of 4.6% (including inflation) to province-wide property tax revenue for the next ten years; and

Whereas this gap calculation also presumes all existing and multi-year planned federal and provincial transfers to municipal governments are fulfilled; and

Whereas if future federal and provincial transfers are unfulfilled beyond 2015 levels, it would require annual province-wide property tax revenue increases of up to 8.35% for ten years; and

Whereas Ontarians already pay the highest property taxes in the country; and
Whereas each municipal government in Ontario faces unique issues, the fiscal health and needs are a challenge which unites all municipal governments, regardless of size;

Now Therefore It Be Hereby Resolved that the Town of Aurora Council supports the Association of Municipalities of Ontario in its work to close the fiscal gap; so that all municipalities can benefit from predictable and sustainable revenue, to finance the pressing infrastructure and municipal service needs faced by all municipal governments.

Be It Further Resolved That a copy of this Motion be sent to The Honourable Kathleen Wynne, Premier of Ontario, Mr. Patrick Brown, Leader of the Progressive Conservative Party, Ms. Andrea Horwath, Leader of the New Democratic Party, and all Members of Provincial Parliament (MPPs) in the Province of Ontario.

Whereas a Cycling Master Plan will create and improve opportunities throughout the Town of Aurora for active recreation and active transportation for all residents and visitors; and

Whereas the development of active transportation infrastructure, policies and promotion strategies are also supported at the federal, provincial, regional and municipal levels of government; and

Whereas the purpose of a Cycling Master Plan is to guide the development of a long-term, comprehensive, Town-wide, on- and off-road commuter and recreational bicycling network; and

Whereas the creation of a Cycling Master Plan would help support the Town of Aurora’s pursuit in becoming Canada’s most active municipality;

1. Now Therefore Be It Hereby Resolved That staff work with the Trails and Active Transportation Committee in developing a strategy to create a Cycling Master Plan that will ultimately be incorporated into the Town’s Official Plan.

Carried

(c) Councillor Gaertner
Re: Proposed Community Safety Zone in Town Park Area

Main motion
Moved by Councillor Gaertner
Seconded by Councillor Humfryes

Whereas the area around the Town Park is home to many families with small children;

Whereas Town Park is used by these children, as well as those from the larger Aurora community;

Whereas concern has been repeatedly expressed about excessive speeding of traffic during the GO Train hours of operation;

Whereas it is appropriate that Council address this concern as soon as possible;
1. Now Therefore Be It Resolved That the Town declare this a Community Safety Zone; and

2. Be It Further Resolved That Council ask York Regional Police for their help with measures to control speeding near the Town Park area; and

3. Be It Further Resolved That, when the provincial government gives municipalities the authority to set up photo radar cameras, staff be directed to them in the Town Park area.

Amendment

Moved by Councillor Mrakas
Seconded by Councillor Humfryes

That the third operative clause of the main motion be replaced by the following clause:

Be It Further Resolved That when the provincial government gives municipalities the authority to set up photo radar cameras, staff be directed to report back regarding the implementation of photo radar cameras in all community safety zones.

8. **Notices of Motion**

   (a) **Councillor Abel**

   **Re: Library Square**

   Whereas the Town of Aurora has declared the old Library and the old Fire Hall, both on Victoria Street, as surplus properties; and

   Whereas these two properties are known as ‘Library Square”; and
Whereas the Town has completed approximately 11 studies on the uses and purposes of Library Square prior to 2012; and

Whereas, during the last term of Council, the Town in 2013 undertook another study, to engage the community as to what uses Library Square might have, to better enhance the businesses in the downtown heritage core, cultural activities and the community at large; and

Whereas the development of Library Square is documented in the Aurora Promenade Study and the Cultural Master Plan, as a recommended action to be undertaken; and

Whereas many business, cultural, and community partners have expressed support for the concept of developing Library Square; and

Whereas residents and Members of Council have expressed support for the concept of developing Library Square;

Now Therefore Be It Hereby Resolved That, based on the previous studies, staff be directed to report back on options, including costs and time lines, to implement the conceptual architectural designs; and

Be It Further Resolved That staff report back on options and/or a Terms of Reference for the formation of a Task Force, Round Table, or Ad Hoc Committee to engage the Town’s business, cultural, and community partners in the development of Library Square; and

Be It Further Resolved That staff report back by March 2017.

(b) Councillor Abel
Re: Downtown Revitalization Plan

Whereas the Town of Aurora has declared the old Library and the old Fire Hall, both on Victoria Street, as surplus properties; and

Whereas these two properties are known as “Library Square”; and

Whereas the development of Library Square is documented in the Aurora Promenade Study and the Cultural Master Plan as a recommended action to be undertaken; and
Whereas, there are four overarching plans and studies, namely the Aurora Promenade Study, the Cultural Master Plan, the Strategic Plan, and the Community Tourism Plan, which all speak to the revitalization of the downtown core; and

Whereas these plans and studies provide guidelines and recommendations on provisions to develop a Downtown Revitalization Plan, through engagement, collaboration, and communication; and

Whereas many business, cultural, and community partners have expressed the need for the revitalization of the downtown core; and

Whereas residents and Members of Council of past and present have expressed the need to revitalize the downtown core; and

Whereas the Town of Aurora has recently resolved that a new Office of Economic Development be formed, with terms of reference to form a Board;

Now Therefore Be It Hereby Resolved That Council endorse the concept of the development of a Downtown Revitalization Plan; and

Be It Further Resolved That the new Office of Economic Development be tasked to deliver a draft Downtown Revitalization Plan, in collaboration with the newly-formed Board, before the third quarter of 2017 for Council's consideration.

9. New Business/General Information

Councillor Mrakas commented on the one-hour parking restrictions on Yonge Street and suggested that the maximum period should be extended to encourage and support the use of local businesses. Staff indicated that background information would be provided to Council.

Councillor Mrakas noted that residents have complained about the maintenance of the leash-free dog park on Industrial Parkway North, and he requested that staff provide a report, including maintenance agreement options, through the Parks and Recreation Advisory Committee (PRAC). Staff indicated that the previous report of 2012 and updated information would be submitted to PRAC for comment.
Councillor Gaertner inquired about the snack bar in Town Park. Staff advised that the snack bar has not been operational for some time and that, through the Cultural Precinct development process, staff would be considering options for using the snack bar, particularly during the winter season and special events.

Mayor Dawe extended a reminder that the Tree Lighting Ceremony will be held on Wednesday, December 7, 2016, at Town Hall.

Councillor Humfries noted that complaints had been received regarding the idling vehicles at Our Lady of Grace Separate School, and about the subsequent parking tickets issued. She inquired about the “no parking” zone and lack of a “drop-off” zone at the School, and suggested that staff further investigate this matter.

Councillor Pirri advised that Durham Regional Chair Roger Anderson was recently diagnosed with cancer, and he suggested that a letter of best wishes be sent to Mr. Anderson on behalf of Council.

Councillor Pirri noted that December 6, 2016, is the anniversary of the École Polytechnique massacre in Montreal. He commented on the challenges faced by women in politics, and he thanked Councillor Gaertner and Councillor Humfries for serving and representing Aurora so well.

The Town Clerk noted that a correction had been made to the Trails and Active Transportation Committee meeting minutes of November 18, 2016, which were passed on consent, respecting the New Business Motion No. 1, which should read “(a) That the proposed option to demolish the former library at 56 Victoria Street, and the former seniors centre at 52 Victoria Street, be endorsed; and…”.

Councillor Mrakas requested clarification regarding the parking and ticketing at Our Lady of Grace Separate School. Staff confirmed that parking tickets were issued, and indicated that further information would be provided to Council respecting the parking and/or stopping restrictions.

The meeting was adjourned at 9:55 p.m.

Geoffrey Dawe, Mayor
Lisa Lyons, Town Clerk

The minutes of the Special General Committee – 2017 Operating Budget meeting of November 28-29, 2016, are subject to being received by Council on December 13, 2016.
Recommendation

1. That Report No. FS16-039 be received; and

2. That the 2017 Operating Budget summarized in Attachment 1 which reflects all revisions recommended for approval by the Budget Committee, resulting in a total tax levy of $41,821,700 and a total expenditure plan of $60,814,800, and an estimated 3.1% tax increase on the Aurora share, and a 2.4% residential tax bill increase when combined with the regional and education shares of the tax bill, be approved; and

3. That the Town’s full-time staff complement be increased by nine (9) to 221 (excluding Library Board and Central York Fire Services staff) as presented in Attachment 2 and funded in the 2017 Operating Budget; and

4. That staff prepare the necessary bylaw for adoption by Council to set 2017 tax rates and payment dates.

Executive Summary

To present for approval the 2017 Operating Budget as amended by the reviews and deliberations of General Committee – Budget at its recent series of meetings.

Background

General Committee – Budget has concluded its review and discussions of the staff presented draft 2017 Operating Budget. Amendments made to the draft budget during the deliberations are summarized on Attachment 1.
Analysis

Council adopted these two foundational documents to set out clearly the principles to be followed in preparing and reviewing its annual operating and capital budgets, and the detailed process which would be followed in conducting those reviews. The budget processes document outlines the additional role that the Finance Advisory Committee fulfils in performing detailed departmental reviews outside of the annual budget review and approval process.

Council directed staff to keep budget to inflation, and to add 1% for fiscal strategies

At its July 2016 meeting, guided by the Council Budget Principles foundational document, Council approved specific budget preparation directions for staff. The base budget was to result in a tax increase of not more than inflation, with a further 1% increase to assist in funding the Town’s long term financial strategies related to unsustainable revenues and needed funding for infrastructure sustainability.

Staff presented a budget of 1.9% tax increase, plus 1% for fiscal strategies

Despite inflation reported at 2.1% for twelve months to June 2016, staff presented Council with a base operating budget proposal with a resulting tax increase of 1.9%, plus the 1% for fiscal strategies. In addition to this draft budget, Council was presented with several options for consideration for increases in service levels in various areas.

The Base Budget accommodated services extension to accommodate all growth, while also making significant budget adjustments to several specific budget lines which had become substantially out of line with historical expense or revenue realities.

The Budget Committee made adjustments

The budget committee made several adjustments, both budget reductions, as well as budget increases. Several options presented by staff for consideration were added to the budget, including some service level enhancements. All budget adjustments made to the draft budget are detailed in Attachment #3.

The key elements affecting the budget increase are graphically presented in Attachment #4, while the sources of revenue and net operating budget by service is presented in graphs in Attachment #5 and 6, respectively.
Advisory Committee Review

The Finance Advisory Committee is not involved in the detailed budget reviews of the annual budget. However, this Committee is expected to review the detailed budgets of each operating department and budget section once per term of Council. It will continue these reviews in the new year. The 2017 reviews will include the detailed review of the Infrastructure and Environmental Services department. All such meetings are open to the public, and to all members of Council.

Financial Implications

The 2017 Operating Budget sets out planned expenditures totalling $60,814,800, funded with non-tax revenues of $18,993,100, such as investment income, user fees, Federal Gas Tax grants, and fines & penalties. The remaining $41,821,700 requirement is to be raised through property taxes.

The final approved budget results in an average increase to the Aurora share of the residential tax bill of 3.1%. When combined with the Region of York’s estimated tax increase of 2.87%, and the expected net 0% increase on the provincial education share of the tax bill, the combined effect on the overall tax bill in Aurora is expected to be approximately 2.4% on average. For each $100,000 of assessment, these increases will add $10.46 to the Aurora share, and $21.86 total overall. For an average home assessed at $770,000, the impacts are $80.52 to the Aurora share, and $168.29 total overall, on average. All reports, presentations and materials presented to Budget Committee remain available to the public on the Town’s Budget and Financial Information website page. Attachment #7 outlines Aurora’s history of increases to its property tax levies.

Communications Considerations

A press release and information kit has been prepared related to the approval of the Town’s 2017 Operating Budget. Updated budget information will be included on the reverse side of the Interim Tax Brochure included with all mailed tax billings issued in January. The full budget details have been updated to the Town’s Budget and Financial Information page on our website, including the capital budget approval report and detailed capital sheets of all approved projects.
Link to Strategic Plan

Approval of the 2017 Operating Budget provides funding support and approval for all initiatives, services and operations of the Town, all of which support and advance the Strategic Plan objectives. Overall, the budget leads to improving the quality of life of the community we serve.

Alternative(s) to the Recommendation

Council may make further adjustments to the budget than those recommended by Budget Committee.

Conclusions

General Committee – Budget has concluded its review of the annual budget for 2017. The result of the recommended budget is a 3.1% tax increase on the Aurora share of the tax bill. When combined with the expected increases for the Region of York and the provincial education portions, the expected overall tax impact for Aurora residents is 2.4%.

Recommendation

1. That Report No. FS16-040 be received for information.

Executive Summary

Under Ontario Regulation 284/09, made under the Municipal Act, 2001, all Ontario municipalities are permitted to exclude from their annual budgets a specified list of Public Sector Accounting Board (PSAB) accounting non-cash costs. However, this same regulation requires that if a municipality excludes any costs of this nature that they must report to their Council on the impact of these excluded costs.

The purpose of this report is to satisfy the Town’s disclosure requirement as per Ontario Regulation 284/09 and to illustrate the 2017 budget in the PSAB format.

Background

The Town of Aurora, like most municipalities, prepared its 2017 budget in the traditional, cash based, balanced municipal budget approach. The Province of Ontario enacted a regulation (O.Reg. 284/09, s.1.) under the Municipal Act, 2001, that permits all Ontario municipalities to exclude from their annual budgets the following PSAB accounting non-cash costs:

- amortization expenses
- post-employment benefits, and
- solid waste landfill closure and post-closure expenses (not applicable for Aurora).

Where these non-cash items have been excluded, Council are to receive:

- an estimate of the change in the accumulated surplus of the municipality to the end of the year resulting from the exclusion of any of these expenses, and
- an analysis of the estimated impact of the exclusion on the future tangible capital asset funding requirements of the municipality.
Analysis

For compliance with the regulation, the Town of Aurora’s 2017 Business Plan, Operating Budget and Capital Investment Program as approved excludes the following expenses:

- an expense for the 2017 amortization of the Town’s tangible capital assets, estimated to be $11,663,800 (see Attachment #1 for categorized list). Of this total estimated amount, $11,029,600 is directly supported by taxes and utility rates while $634,200 is indirectly supported by taxes via a funding contribution to the Aurora Public Library and Central York Fire Services. In regards to the portion of the total estimated amortization expense that is directly supported by the tax levy, this amount has been under-funded by $2,919,100; meaning the budgeted contributions to capital reserves are not keeping pace with the depreciation of the town’s tangible capital assets. The Town is able to partially subsidize this noted funding gap through alternative funding sources such as federal and provincial grants reducing this noted gap to a remaining short-fall of $148,700.
- the current year’s post-employment benefit obligation in relation to eligible employee early retirement and/or accrued sick leave is estimated to grow by approximately $22,500, thus creating a related non-cash expense;
- the current year’s Workplace Safety & Insurance Board benefit obligation is estimated to grow by approximately $14,300, thus creating a related non-cash expense;
- the Town does not own or operate a landfill site and therefore is not subject to solid waste landfill closure or post-closure expenses.

The 2017 operating budget was prepared in the traditional cash-based municipal budget approach whereby total revenues (including taxation) equal total expenditures, resulting in a “balanced” budget. Attachment #2 illustrates the differences between the 2017 approved operating budget as prepared (on a cash basis) to what it would be if prepared under PSAB guidelines on an accrual basis budgeting. The accrual basis approach would result in an estimated annual surplus of $1,734,000 as shown on Attachment #2.

Advisory Committee Review

The Financial Advisory Committee is not charged with reviewing this report.
Financial Implications

For 2017, the budgeted contributions to infrastructure reserves are as follows:

<table>
<thead>
<tr>
<th>Contribution Type</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direct property taxation contributions</td>
<td>$4,160,500</td>

<td>Utility rate funded contributions</td>
<td>3,950,000</td>
</tr>
<tr>
<td><strong>Total Infrastructure renewal contributions</strong></td>
<td><strong>$10,880,900</strong></td>
</tr>
</tbody>
</table>

Of note is the disparity between the estimated amortization expense of $11,029,600 for tax and water rate directly supported assets, and the tax & rates contributions to reserves of $8,110,500 (excluding federal and provincial infrastructure funding including gas tax) for the rehabilitation and replacement of these aging assets.

The Town has an approved ongoing financial strategy to close this funding disparity. Provided Council continues to follow the strategy, significant sudden tax increases, new debt, or financial crisis can be avoided.

Communications Considerations

This report will be accessible through the Town’s website.

Link to Strategic Plan

This report provides additional budget information as required by statutory regulation. Approval of the 2017 Operating Budget provides funding support and approval for all initiatives, services and operations of the Town, all of which support and advance the Strategic Plan objectives. Overall, the budget leads to improving the quality of life of the community we serve.

Alternative(s) to the Recommendation

1. None; informational report only
Conclusions

In the preparation of the 2017 operating budget, the Town of Aurora has complied with requirements of the Municipal Act which identifies allowed exclusions from that budget (paragraph 3, subsection 289 (2) and paragraph 3, subsection 290 (2)). This report provides the disclosures required under this regulation which requires municipalities to report to Council when these exclusions exist and the impact on the overall accumulated surplus of each transaction.

Re: 2016 Operating Budget Forecast Update – as of October 31, 2016

Recommendations

1. That the memorandum regarding 2016 Operating Budget Forecast Update – as of October 31, 2016 be received for information.

Background

As requested at the October 25th Council meeting, staff has revisited its 2016 operating budget annual forecast as of October 31, 2016. As of October 31, 2016, the Town is forecasting to finish the fiscal year with a minor operating budget deficit of $97,700; or, 0.2% of the total approved operating budget of $58,169,900.

This forecasted deficit predominantly relates to multiple ongoing budget pressures which will be addressed as part of staff’s planned budget right-sizing which has been included in the Town’s recommended 2017 operating budget.

The Town’s forecasted 2016 operating budget deficit has decreased by $87,500 since its last forecast update as of the end of August. The key contributors to this change include:

An incremental increase in forecasted deficit of $375,700 attributable to:

- External legal service costs attributable to the Highland Gate OMB process; and other legal matters;
- Facility electricity costs;
- Emergency equipment repairs at multiple facilities;
Offset by an incremental improvement in forecasted variances of $463,200 attributable to:

- Anticipated aquatics program revenues;
- Anticipated ice rental revenues;
- Anticipated community program revenues;
- Anticipated planning subdivision engineering fee revenues;
- Vacant position savings;
- Decrease in anticipated tax debt write-off.

Staff will continue to strive to minimize this forecasted deficit before year-end. Should a deficit remain at fiscal year-end; staff will offset any remaining deficit by an equivalent reduction in the Corporation’s planned excess supplementary tax revenue contribution to reserves.

York Regional Council – Thursday, November 17, 2016

2017 budget tabled at Regional Council

York Region Finance Commissioner and Regional Treasurer Bill Hughes has tabled the Region’s 2017 budget, which includes an outlook for 2018, the final year of the term of the current Council. 2017 is the third year of a four-year plan approved by York Regional Council in early 2015.

The proposed budget totals $3.04 billion, comprising operating spending of $2.1 billion and $942 million in capital spending. The budget proposes a tax levy increase of 2.87 per cent for 2017. This is equivalent to $66 on the average residential property tax bill.

The budget reflects sound public policy and delivery of high quality public services to the Region's residents, including infrastructure, policing and social services.

The proposed 2017 to 2018 budget will be reviewed at the Committee of the Whole meetings on December 1 and December 8. It is scheduled to be forwarded to Council for approval on December 15.

Promoting more housing choices for all residents

York Regional Council received two new reports highlighting an ongoing commitment to quality and affordable housing choices that allow families to find and keep housing in the Region through all ages and stages of their lives.

The Housing Initiatives and Incentives report to Council provides an update on issues including housing supply and affordability. It notes the low supply of rental accommodation is a particular issue in York Region and looks at ways to improve the availability of affordable housing for low and medium-income individuals and families.

The second report, Achieving New Heights Through Innovation and Stability, is the new 2017-2020 plan for Housing York Inc., the Region’s affordable housing provider. This four-year plan supports residents’ needs, the growth of Housing York’s property portfolio, financial sustainability and emerging business practices.

Council has also approved the Social Housing Investment Framework, which encourages appropriately and suitably located affordable housing options for residents throughout York Region.
Thinking Ahead – York Region Seniors Strategy addresses needs of all residents

York Regional Council approved York Region Seniors Strategy - Thinking Ahead, which establishes the Region’s role in responding to the needs of the growing senior population expected to grow to 310,000 over the next 20 years.

Through research, presentations from external subject matter experts and consultations with staff, seniors and organizations serving seniors, the strategy has identified the Region’s four key roles in serving an aging population:

- Balance the needs of seniors with all residents
- Keep seniors healthier, longer
- Support age-friendly, complete communities
- Connect seniors and caregivers to the right programs and services at the right times

The strategy, which will be implemented next year, is a critical tool in determining how York Region will deliver services that meet resident needs at all ages.

Resolution to close the infrastructure funding gap

York Regional Council adopted a resolution recognizing an estimated $3.6 million annual funding gap to maintain infrastructure in Ontario. The resolution supports the Association of Municipalities of Ontario’s position to close this gap by securing long-term funding commitments from provincial and federal governments.

YRT/Viva fares and policies updated starting 2017

York Regional Council approved fare adjustments and updates to the YRT/Viva fare policy which will result in additional incentives to increase ridership, and an annual fare adjustment over the next three years. The fare adjustment will be an increase of a weighted average of 2.5 per cent across all fare categories starting in 2017. There will be no changes to cash fare in 2017 or 2018.

Additional initiatives to increase ridership include:

- Promote smart fare technology like PRESTO and mobile payment app and eliminate paper tickets, by December 31, 2017
- Eliminate current two-zone fare upgrades
- Expand Dial a Ride services in low population density areas
- Generate more non-fare revenue by looking into innovative options and advertising
- Implement special pass programs including a post-secondary pass, employer transit pass program and low income pass program

Mental Health Matters

York Regional Council received an update on the work underway to enhance the supports available to residents experiencing mental health issues. Mental Health Matters, a collaboration between Community and Health Services and York Regional Police, takes a holistic approach when it comes to mental health and addiction by:

- Building resilience and preventing mental health issues from occurring
- Delivering ongoing, wrap-around supports to those living with mental illness
- Providing effective crisis intervention
Community paramedicine improves health of patients in York Region

York Regional Council received an update on the *Expanding Paramedicine in the Community* (EPIC) program and the steps taken to improve the health of patients with chronic conditions.

First approved by Council in 2013, the EPIC program provides in-home visits to patients with chronic diseases, including diabetes, chronic obstructive pulmonary disease and congestive heart failure in an effort to reduce 911 responses, emergency department visits and hospitalizations.

Analysis of interim data has shown promising results among patients receiving community paramedicine care, including 35 per cent fewer 911 calls, fewer emergency department visits, shortened hospital stays and a high level of patient satisfaction.

Celebrating innovation and excellence

The Regional Municipality of York has again been recognized for excellence and innovation.

Housing York Inc., the Region’s non-profit housing corporation, has received an *Ontario Non-Profit Housing Association (ONPHA) Innovation Award* for the Richmond Hill Hub. With affordable housing units, commercial offices and space for social enterprise and youth services, the Richmond Hill Hub sets the standard for community housing facilities.

York Region Environmental Health Specialist Kevin Haley has been awarded the *Ontario Public Health Award of Excellence* for his work in developing *Public Health and Planning 101*, an online course designed to help public health and planning professionals create healthier build environments.

York Region wins award for high-quality budgeting

For the 12th consecutive year, the *Government Finance Officers Association* (GFOA) has recognized York Region’s Finance Department with the *Distinguished Budget Presentation Award*.

The award recognizes the Region’s *2016 to 2018 multi-year budget*, approved in December 2015.

Regional Treasurer Bill Hughes recognized for financial excellence

York Region Chairman and CEO Wayne Emmerson offer congratulations to Regional Treasurer Bill Hughes for being awarded the 2016 *Municipal Finance Officers’ Association of Ontario (MFOA)* Leadership Award.

The MFOA Leadership Award is presented annually to recognize the unwavering commitment of members in finance leadership and volunteer engagement.

Planning Act amendments make processes easier and more accessible

York Regional Council has received an overview of recent amendments to the *Planning Act* introduced by Bill 73, the *Smart Growth for Our Communities Act, 2015*. Describing implications for York Region’s planning process, the overview explains how the amendments will:

- Streamline the planning process and make it more predictable
- Make it easier to resolve disputes
- Provide new opportunities for public engagement
Approved growth supported by infrastructure projects

York Regional Council received the Water and Wastewater Capital Infrastructure Update, providing a comprehensive overview of infrastructure required to support growth in our cities and towns.

Over the next 10 years, $2.3 billion has been budgeted to ensure the needs of current and future residents and businesses are met. There are more than 140 projects planned or underway, focusing primarily on building the main sewer system and ensuring reliable service while proactively maintaining the current system.

Measuring progress, leaf by leaf

York Regional Council received the first York Region Forest Management Plan which will implement short, medium and long-term goals and strategies to achieve 25 per cent woodland cover by 2031 and a forest canopy cover of 40 per cent by 2051.

Trees are proven to benefit physical and mental health, as well as the health of the environment. Among their benefits:

- Improved air quality
- Natural shade and UV ray protection
- Local biological diversity

Creating seamless boulevards on Yonge Street and Davis Drive in the Town of Newmarket

York Region, in partnership with the Town of Newmarket, coordinated a Yonge Street and Davis Drive Streetscape Master Plan Study to design a seamless connection with the VivaNext rapidways and local and Regional boulevards. The plan aims to provide direction on the boulevard design on Yonge Street and Davis Drive for vibrant, green and active boulevards that supports transit, pedestrians and cyclists.

Open data downloads on the rise

York Region has seen a steady increase in the downloading of open data since the program began in 2012. To date, data has been downloaded nearly 18,000 times and more than 156 datasets have been released to the public.

The most commonly downloaded datasets include:

- Land parcels
- Roads
- Address points
- Building footprint mapping data
- York Region business directory
- Population statistics

The Open Data program makes York Region’s data easily available to the public, other government agencies and the private sector 24 hours a day, seven days a week at york.ca/opendata
Toronto Pearson International Airport - Greater Toronto Airports Authority update

York Regional Council received an update from Greater Toronto Airports Authority highlighting the achievements of Toronto Pearson International Airport as York Region's global airport hub.

Toronto Pearson International Airport has welcomed 42 million passengers so far in 2016, and is the second busiest North American airport for international travel. It provides employment for 49,000 people, 4,000 of whom live in York Region.

New Regional Fire Coordinator and alternate appointed in York Region

Chief Ian Laing from Central York Fire Services has been appointed Regional Fire Coordinator. As well, Chief David Decker from the City of Markham Fire and Emergency Services has been appointed alternate Regional Fire Coordinator. The positions are appointed by the Office of the Fire Marshal and Emergency Management under the Provincial Fire Protection and Prevention Act.

The Regional Fire Coordinator and alternate support the Region and local municipalities in the event of emergency through planning, response and coordination of fire services.

Recovering cost of hydro and gas utilities permits

Starting January 1, 2017 hydro and gas utility companies will be required to pay York Region fees for work in the Regional right-of-way. Regional right-of-way is all areas owned by the Regional Municipality of York that are designated as a public road. The fees will recover costs for the administrative work required by Regional staff when processing hydro and gas utility requests.

The Municipal Act, 2001 enables municipalities to charge hydro and gas companies reasonable costs for issuing permits for work in Regional rights-of-way.

Salvation Army Central York Region 2016 Christmas Kettle Campaign

York Regional Council celebrates the kick-off to the Salvation Army Central York Region’s Christmas Kettle Campaign.

The Salvation Army helps people in need with food, clothing, toys, counselling and those who are homeless or at risk of becoming homeless.

Next regular meeting of York Regional Council

York Regional Council will meet on Thursday, December 15, 2016 at 9 a.m. in the York Region Administrative Centre Council Chambers, located at 17250 Yonge Street in the Town of Newmarket.

The Regional Municipality of York consists of nine cities and towns and provides a variety of programs and services to almost 1.2 million residents, 50,000 businesses and 580,000 employees. More information about the Region’s key service areas is available at York.ca/regionalservices

GEORGE DAWE, MAYOR

LISA LYONS, TOWN CLERK
THE CORPORATION OF THE TOWN OF AURORA

By-law Number 5933-16

BEING A BY-LAW to levy Interim Property Taxes for the 2017 taxation year.

WHEREAS subsection 317(1) of the Municipal Act, 2001, S.O. 2001, c. 25, as amended (the “Act”), provides that a local municipality, before the adoption of estimates for the year under section 290 of the Act, may pass a by-law levying amounts on the assessment of property in the local municipality rateable for local municipality purposes;

AND WHEREAS subsection 317(2) of the Act provides that a by-law under subsection 317(1) shall be passed in the year that the amounts are to be levied or may be passed in November or December of the previous year if it provides that it does not come into force until a specified day in the following year;

AND WHEREAS since The Corporation of the Town of Aurora (the “Town”), The Regional Municipality of York, and the Province of Ontario have not all adopted estimates and established tax rates for the year 2017, the Town wishes to pass a by-law levying amounts on the assessment of property in the Town in accordance with subsection 317(1) of the Act (the “Interim Property Tax”);

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF AURORA ENACTS AS FOLLOWS:

1. THAT the Town shall levy an Interim Property Tax in 2017.

2. THAT the Interim Property Tax may be levied under this by-law on a property that is rateable for local municipality purposes for the current tax year, but which was not rateable for local municipality purposes for the prior tax year, including assessment of property that is added to the assessment roll after this by-law is passed.

3. THAT the Interim Property Tax rate will be an amount equal to fifty percent (50%) of the total amount of taxes for municipal and school purposes levied on the rateable property for the previous year.

4. THAT the Treasurer of the Town or his designate shall send to each person so taxed, a printed bill specifying the amounts and due dates of amounts payable by the taxpayer.

5. THAT the Treasurer of the Town or his/her designate shall send the property tax bill to the taxpayer's residence or place of business unless the taxpayer directs the Treasurer, in writing, to send the bill to an alternate address, in which case it shall be sent to the requested alternate address, until revoked by the taxpayer in writing.

6. THAT the Interim Property Tax levied by this by-law shall be due and payable to the Treasurer in installments on February 22, 2017 and April 24, 2017, and shall be paid at the Town of Aurora Municipal Office located at 100 John West Way, Aurora, Ontario or to a financial institution to the credit of the Treasurer, Town of Aurora. Properties registered for the Pre-authorized Tax Payment Plan program will have Interim Property Tax levied by this by-law due and payable in automatic installments on the last business day of each calendar month, commencing on January 31, 2017, and such Pre-authorized Tax Payment Plan installments shall be subject to adjustment as set out in paragraph 10 of this by-law.

7. THAT if the Interim Property Tax levied on any class of property or any installments thereof which are due and payable in accordance with this by-law, remain unpaid on the due date, interest of one and one quarter percent (1.25%) (being fifteen percent (15%) per annum) of the unpaid Interim...
Property Tax shall be imposed on the first day of the default, or within five (5) business days of the default.

8. THAT on the first day of the next calendar month following the due date and every month thereafter for so long as there is Interim Property Tax remaining unpaid, interest in the amount of one and one quarter percent (1.25%) (being fifteen percent (15%) per annum) shall be imposed on the Interim Property Tax remaining unpaid. Interest shall not be charged in respect of any installment which was due in the prior month, but for which interest has been imposed in the current month.

9. THAT all payments, including partial payments, shall be applied to accounts on a consistent basis.

10. THAT the Treasurer of the Town or his/her designate is hereby delegated the power and authority to adjust the amount of the Interim Property Tax levied on a property to the extent that the Treasurer considers appropriate, where the Treasurer is of the opinion that the Interim Property Tax levied on a property is too high or too low in relation to the estimate of the total taxes that will be levied on the property for the year 2017; and more particularly, the Treasurer may do so for all properties described in paragraph 2 above and those properties registered for the Pre-authorized Tax Payment Plan program.

11. THAT the provisions of this by-law shall come into force and effect on January 1, 2017.
