October 6, 2016

Dear Clerks:

**AMO Seeks Council Resolution**

On behalf of the AMO Board, I would ask you to place the attached resolution on council’s next agenda along with this letter.

AMO wants every council to be involved in the *What’s Next Ontario?* project. There is a looming fiscal gap facing Ontario’s municipalities. *What’s Next Ontario?* is about recognizing the gap and seeking sector support for closing it. The response has been impressive, but there’s more to be done! We’ve boiled down the essence of the challenge we face in the next ten years to a one-page resolution. **We urge every council in Ontario to adopt the resolution, and reply to AMO by December 1, 2016.**

What does it say? We know Ontarians see infrastructure as the number one challenge facing their community. We know that even if we raise property taxes and user fees by inflation (1.8%), we will still be $3.6 billion short to fix the infrastructure gap, every year for ten years. This is what we need to address. As elected officials, how do we deal with this challenge? What is the best approach? Ontarians already pay the highest property taxes in the country. How high is too high?

We could finance this gap by increasing property taxes. It would require property tax revenue increases of 4.6% annually for 10 years, sector-wide. And, what happens if the federal or provincial governments pull back on future commitments? We know that could mean property tax revenue increases of up to 8.35% annually for 10 years, sector-wide. How might these numbers translate locally as an annual rate increase?

The attached resolution is a starting point. Thank you for bringing this to your council’s attention. My e-mail address is on the resolution and I look forward to receiving council’s support.

If you have questions, please contact Matthew Wilson, Senior Advisor, mwilson@amo.on.ca, 416-971-9856 Ext. 323.

Yours sincerely,

Lynn Dollin
AMO President
WHAT’S NEXT ONTARIO? RESOLUTION

WHEREAS recent polling, conducted on behalf of the Association of Municipalities of Ontario indicates 76% of Ontarians are concerned or somewhat concerned property taxes will not cover the cost of infrastructure while maintaining municipal services, and 90% agree maintaining safe infrastructure is an important priority for their communities;

AND WHEREAS infrastructure and transit are identified by Ontarians as the biggest problems facing their municipal government;

AND WHEREAS a ten-year projection (2016-2025) of municipal expenditures against inflationary property tax and user fee increases, shows there to be an unfunded average annual need of $3.6 billion to fix local infrastructure and provide for municipal operating needs;

AND WHEREAS the $3.6 billion average annual need would equate to annual increases of 4.6% (including inflation) to province-wide property tax revenue for the next ten years;

AND WHEREAS this gap calculation also presumes all existing and multi-year planned federal and provincial transfers to municipal governments are fulfilled;

AND WHEREAS if future federal and provincial transfers are unfulfilled beyond 2015 levels, it would require annual province-wide property tax revenue increases of up to 8.35% for ten years;

AND WHEREAS Ontarians already pay the highest property taxes in the country;

AND WHEREAS each municipal government in Ontario faces unique issues, the fiscal health and needs are a challenge which unites all municipal governments, regardless of size;

NOW THEREFORE BE IT RESOLVED that this Council supports the Association of Municipalities of Ontario in its work to close the fiscal gap; so that all municipalities can benefit from predictable and sustainable revenue, to finance the pressing infrastructure and municipal service needs faced by all municipal governments.

Please forward your resolution by December 1, 2016 to:
AMO President Lynn Dollin amopresident@amo.on.ca.
Notice of Motion

Councillor Tom Mrakas

Date: November 15, 2016
To: Mayor and Members of Council
From: Councillor Mrakas
Re: Buy and Sell Designated Areas

Whereas many residents in the Town of Aurora and York Region utilize online classified ads to purchase and sell products; and

Whereas there is always a risk when meeting a stranger in person; and

Whereas designated exchange areas in police stations, such as a couple of parking spots, would help residents safely conduct these transactions;

Now Therefore Be It Hereby Resolved That The Town of Aurora request that the York Regional Police Services Board review the possibility of designating areas in police stations or Headquarters for residents to meet buyers and sellers of online classified ads.

To: Mayor and Members of Council
From: Councillor Mrakas and Councillor Humfryes
Re: Cycling Master Plan

Whereas the bicycle is a viable and affordable mode of transportation that is not only environmentally sound but supportive of active healthy lifestyles; and

Whereas a Cycling Master Plan would create and improve opportunities throughout the Town of Aurora for active recreation and active transportation for all residents and visitors; and

Whereas the development of active transportation infrastructure, policies and promotion strategies are also supported at the federal, provincial, county and local municipal levels of government; and

Whereas the purpose of a Cycling Master Plan is to guide the development of a long-term, comprehensive, Town-wide, on- and off-road commuter and recreational bicycling network; and

Whereas the creation of a Cycling Master Plan would help support the Town of Aurora’s pursuit in becoming Canada’s most active municipality;

Now Therefore Be It Hereby Resolved That staff work with the Trails and Active Transportation Committee in developing a strategy to create a Cycling Master Plan that will ultimately be incorporated into the Town’s Official Plan.

Re: Proposed Community Safety Zone in Town Park Area

Whereas the area around the Town Park is home to many families with small children; and

Whereas Town Park is used by these children, as well as those from the larger Aurora community; and

Whereas concern has been repeatedly expressed about excessive speeding of traffic during the GO Transit hours of operation; and

Whereas it is appropriate that Council address this concern as soon as possible;

Now Therefore Be It Hereby Resolved That the Town declare the area around Town Park as a Community Safety Zone; and

Be It Further Resolved That Council ask York Regional Police for their help with measures to control speeding near the Town Park area; and

Be It Further Resolved That, when the provincial government gives municipalities the authority to set up photo radar cameras, staff be directed to install them in the Town Park area.
