14. Correspondence from Association of Municipalities of Ontario
Re: What’s Next Ontario? Resolution

General Committee recommends:

1. That the Correspondence from Association of Municipalities of Ontario regarding What’s Next Ontario? Resolution be received; and

2. That the following What’s Next Ontario? Resolution as put forward by the Association of Municipalities of Ontario be endorsed, as amended:

   Whereas recent polling, conducted on behalf of the Association of Municipalities of Ontario indicates 76% of Ontarians are concerned or somewhat concerned property taxes will not cover the cost of infrastructure while maintaining municipal services, and 90% agree maintaining safe infrastructure is an important priority for their communities; and

   Whereas infrastructure and transit are identified by Ontarians as the biggest problems facing their municipal government; and

   Whereas a ten-year projection (2016-2025) of municipal expenditures against inflationary property tax and user fee increases, shows there to be an unfunded average annual need of $3.6 billion to fix local infrastructure and provide for municipal operating needs; and

   Whereas the $3.6 billion average annual need would equate to annual increases of 4.6% (including inflation) to province-wide property tax revenue for the next ten years; and
Whereas this gap calculation also presumes all existing and multi-year planned federal and provincial transfers to municipal governments are fulfilled; and

Whereas if future federal and provincial transfers are unfulfilled beyond 2015 levels, it would require annual province-wide property tax revenue increases of up to 8.35% for ten years; and

Whereas Ontarians already pay the highest property taxes in the country; and

Whereas each municipal government in Ontario faces unique issues, the fiscal health and needs are a challenge which unites all municipal governments, regardless of size;

Now Therefore It Be Resolved that the Town of Aurora Council supports the Association of Municipalities of Ontario in its work to close the fiscal gap; so that all municipalities can benefit from predictable and sustainable revenue, to finance the pressing infrastructure and municipal service needs faced by all municipal governments.

Be It Further Resolved That a copy of this Motion be sent to The Honourable Kathleen Wynne, Premier of Ontario, Mr. Patrick Brown, Leader of the Progressive Conservative Party, Ms. Andrea Horwath, Leader of the New Democratic Party, and all Members of Provincial Parliament (MPPs) in the Province of Ontario.

Carried as amended

8. Notices of Motion

(a) Councillor Mrakas
   Re: Buy and Sell Designated Areas

   Whereas many residents in the Town of Aurora and York Region utilize online classified ads to purchase and sell products; and

   Whereas there is always a risk when meeting a stranger in person; and
Whereas designated exchange areas near or in police stations, such as a couple of parking spots, would help residents safely conduct these transactions;

Now Therefore Be It Hereby Resolved That The Town of Aurora request the York Regional Police Services Board review the possibility of designating areas at police stations or Headquarters for residents to meet buyers and sellers of online classified ads.

(b) Councillor Mrakas and Councillor Humfryes
Re: Cycling Master Plan

Whereas the bicycle is a viable and affordable mode of transportation that is not only environmentally sound but supportive of active healthy lifestyles; and

Whereas a Cycling Master Plan will create and improve opportunities throughout the Town of Aurora for active recreation and active transportation for all residents and visitors; and

Whereas the development of active transportation infrastructure, policies and promotion strategies are also supported at the federal, provincial, regional and municipal levels of government; and

Whereas the purpose of a Cycling Master Plan is to guide the development of a long-term, comprehensive, Town-wide, on- and off-road commuter and recreational bicycling network; and

Whereas the creation of a Cycling Master Plan would help support the Town of Aurora’s pursuit in becoming Canada’s most active municipality;

Now Therefore Be It Hereby Resolved That staff work with the Trails and Active Transportation Committee in developing a strategy to create a Cycling Master Plan that will ultimately be incorporated into the Town’s Official Plan.

(c) Councillor Gaertner
Re: Proposed Community Safety Zone in Town Park Area

Whereas the area around the Town Park is home to many families with small children;
Whereas Town Park is used by these children, as well as those from the larger Aurora community;

Whereas concern has been repeatedly expressed about excessive speeding of traffic during the GO Train hours of operation;

Whereas it is appropriate that Council address this concern as soon as possible;

Therefore Be It Resolved That the Town declare this a Community Safety Zone; and

Be It Further Resolved That Council ask York Regional Police for their help with measures to control speeding near the Town Park area; and

Be It Further Resolved That when the provincial government gives municipalities the authority to set up photo radar cameras, staff be directed to them in the Town Park area.

9. New Business/General Information

Councillor Pirri inquired about the Cultural Master Plan action items and whether they could be considered by Council at a future meeting.

Councillor Thom requested more information regarding the colour of the brick of the of the condominium development at Yonge Street and Centre Street, and noted that concern was raised at the Heritage Advisory Committee as the colour is inconsistent with the renderings provided as part of the Site Plan process.

Councillor Abel requested a list of the Parks and Recreation special events held by the Town in 2016, along with the cost and resources used by each event. Staff agreed to provide information.

Councillor Mrakas requested an update regarding the soccer field at the Stronach Aurora Recreation Complex. Staff provided an update.

10. Adjournment

The meeting was adjourned at 9:10 p.m.
The report of the General Committee meeting of November 15, 2016, received final approval and Council endorsement of the recommendations on November 22, 2016, with the exception of Item 2 which was approved as presented, and Items 4 and 5 which were approved as amended.
