Carried

4. Presentation of Applications

The Owner has submitted a Minor Variance Application in proposing a two-storey building:

- **MV-2019-18A**: The applicant is proposing a Floor Area Ratio of 58.2% for Office Use; thereby, requiring a variance of 8.2%;
- **MV-2019-18B**: The applicant is proposing 168 parking spaces; thereby, having a shortfall of 55 parking spaces.

The Chair read through the purpose of the Application. In attendance was the Agent, Ms. Kerigan Kelly from Groundswell Urban Planners Inc., who provided a brief presentation on the application. The Committee looked to the members of the public for comments on the Application and no comments were presented.

The Committee inquired about the technical matters that remain to be finalized and the Agent provided clarification in response. The Committee inquired about the leasable space available within the building and the Agent provided a response. Furthermore, the Committee inquired about the amount of full time staff members within the building and the Agent provided clarification.

The Committee inquired about the use of the sports fields and the Agent provided a response. The Agent was in agreeance with the conditions as written in the Staff Report.
Moved by Clarence Lui
Seconded by Daniel Lajeunesse

1. That Minor Variance Application MV-2019-18A be APPROVED, subject to the conditions contained in the Staff Report;

2. That Minor Variance Application MV-2019-18B be APPROVED, subject to the conditions contained in the Staff Report. 

Carried

The Owner has submitted a Minor Variance Application in proposing a reduced lot frontage for the lot to be retained:

- MV-2019-09: The applicant is proposing a lot frontage of 29.93 metres for the retained lot, thereby, requiring a variance of 0.07 metres.

The Chair read through the purpose of the Application. In attendance was the Agent, Mr. Al Ruggero from InfoPlan, who provided a brief overview of the proposal.

The Committee looked to the members of the public for comments on the Application, no comments were presented. The Committee inquired about addressing on the subject property and the Agent provided a response. The Committee inquired about the conditions imposed by Staff and the Agent was in agreement.

The Committee inquired about the development proposal on the subject land and the Agent provided additional clarification. In addition, the Agent provided some history on the subject lands for Committee’s review. The Committee inquired about the tree removal condition and Staff provided clarification in response. The Agent provided additional background information and future development plans to Committee.
Moved by Steve D’Angeli  
Seconded by Clarence Lui
