2. **HAC19-006 – Mitigation Tactics to Prevent Illegal Demolition of Listed Heritage Buildings**

Staff provided a brief overview of the report and the two proposed strategies to prevent unlawful demolition of listed heritage buildings.

The Committee inquired about the proposed $10,000 security deposit on demolition permit applications and suggested that a higher amount, possibly determined by property category and a sliding scale, may be more effective in discouraging illegal demolition. The Committee further inquired about current punitive measures and suggested a property freeze option. Staff provided clarification regarding provisions under the *Planning Act* and emphasized the need for a comprehensive review of the Town’s Register of Properties of Cultural Heritage Value or Interest toward identifying those listed properties that may be eligible for designation and increased protection under the *Ontario Heritage Act*. The Committee further suggested that incentives could be offered to those who comply with the process. It was agreed that any collected monies should be allocated to the Town’s Heritage Reserve fund.

Staff provided a brief overview of the report and approved application to allow the construction of a second-level deck at the rear of a heritage building known as The Parteger House at 220 Old Yonge Street.

The Committee noted the 2016 Heritage designation of the property and expressed concerns regarding the planned alteration of the bunker roof under the proposed deck, as well as the projection of the deck beyond the south walls of the house. Staff agreed to contact the Building Division regarding the application status and request that the owner consider working with staff in adjusting the plans.
