Re: Preliminary Zoning Review
88 George Street, Aurora, Ontario L4G 2S5

In response to your Preliminary Zoning Review request, the above-noted property is zoned R3 (*Detached Third Density Residential Zone*) by the Town of Aurora Zoning By-law # 6000-17.

- 1- Based on the information provided to us, we have identified the following areas of non-compliance with the Zoning By-law:
 - a. - **Section 5.6.1a)ii) permits a maximum driveway width of 6.0 metres if the lot frontage is greater than or equal to 9.0 metres and less than 18.0 metres.**
 - **The applicant is proposing a driveway width of 7.36 metres.**
 - **Minor Variance required.**
- 2- Any tree removal shall be in accordance with the Town of Aurora Tree By-law # 5850-16. For more information, please call (905) 727-3123 extension 3223.

Please be advised that the above noted comments are based on the information submitted by the applicant and in accordance with the status of the Zoning By-law at the time of issuance of this letter. Any additional information or change in status of the Zoning By-law may bring some areas of the proposal in non-compliance with the Zoning By-law.

Please note, if a privately initiated By-law Amendment has been approved for the subject property within the last two years, a Committee of Adjustment application may not be permissible. Please contact the Town's Development Planning Division for further information.

Please note pre-consultation with the Town's Development Planning Division is required prior to submitting a planning application to the Town.

This is not a building permit. Where the proposed work requires a building permit, the Town's Building Division will be required to perform a comprehensive zoning review of the building permit application.
