## Explore Aurora's Cultural Heart!

Take a walk through Aurora's Cultural Precinct and discover the possibilities

**Aurora, ON** – Join us for a neighbourhood walking tour and get to know Aurora's Cultural Precinct. The Cultural Precinct is a three-block area bounded by: Mosley Street, Larmont Street, Metcalfe/Church Street and Yonge Street. This area has the highest concentration of built heritage and cultural landscapes in Aurora's downtown core. There is a mix of public and private land, existing heritage architecture, neighbourhood character, park space and community facilities. These amenities draw residents and visitors to the area daily.

### We want to hear from you!

Bring your walking shoes and bright ideas! We need community input on the future design for Aurora's Cultural Precinct. Resident and visitor feedback are key to creating an effective and resilient plan.

**Who:** Residents of Aurora of all ages. Families are welcome!  
**When:** **Sunday, October 25** from 2 p.m. to 4 p.m.  
**Where:** Aurora Town Park Bandshell, 49 Wells Street (corner of Wells Street and Mosley Street)

The final stop on the tour will be at the Aurora Cultural Centre at 3:30 p.m. to enjoy a warm beverage and a discussion about what Aurora's Cultural Precinct means to you. Public feedback will be used to prepare The Town of Aurora's Cultural Precinct Concept Plan.

FOTENN Consultants have been hired by the Town to create a Cultural Precinct Concept Plan. There will be a design exercise to establish a clear vision and concept for the district.

For more information on the Cultural Precinct Plan, please contact Allan Downey, Director of Parks & Recreation at 905-727-3123 ext. 4752 or visit [www.aurora.ca/culturalprecinct](http://www.aurora.ca/culturalprecinct)
