JUSTICE JURY  
SECRETARY-TREASURER  
MUNICIPALITY OF YORK  
SEPTEMBER 15, 2017

- THE Owner shall arrange for the preparation, review and deposit on title of a reference plan describing the lands to be conveyed to the Region, as described above, to the satisfaction of the Regional Planning and Economic Development Branch.
- THE Region requires the Owner to submit to it, in general accordance with the requirements of the Environmental Protection Act and O. Reg. 153/04 Records of Site Condition Part XV.1 of the Act (as amended) ("O. Reg. 153/04"), a Phase I Environmental Site Assessment ("Phase I ESA") of the Owner's lands that are the subject of the application, including the lands to be conveyed to the Region (the "Conveyance Lands"). The Phase I ESA cannot be more than 2 years old as of the actual date title to the Conveyance Lands is transferred to the Region. If the Phase I ESA is linked to different phases of development and there will be multiple conveyances of lands, the Phase I ESA prepared in respect of a specific conveyance and phase of development cannot be more than two years old as of the actual date of transfer of title to the Region. If a Phase I ESA is or would be more than two years old as of the actual date of transfer of title to the Region, the Phase I ESA will need to be either updated or a new Phase I ESA obtained by the Owner in accordance with the requirements of this section. The Region, at its discretion, may require further study, investigation, assessment and delineation to determine whether any remedial or other action is required regardless of the findings or conclusions of the Phase I ESA. Any Phase II Environmental Site Assessment required by or submitted to the Region must be prepared in general accordance with the requirements of O. Reg. 153/04 (as noted above). Reliance on the Phase I ESA and any subsequent environmental reports or other documentation prepared in respect of the environmental condition of the lands must be provided to the Region and: (i) will be addressed to "The Regional Municipality of York"; (ii) contain wording to the effect that the Region is entitled to rely on such reports or documentation in their entirety; and (iii) the terms and conditions of the reliance extended (including any wording seeking to limit liability) must be satisfactory to the Region.
- THE Owner shall also provide the Region with a certified written statement from the Owner or the Owner's authorized representative that no contaminant, pollutant, waste of any nature, hazardous substance, toxic substance, dangerous goods, or other substance or material defined or regulated under applicable environmental laws is present at, on, in or under lands to be conveyed to the Region (including soils, substrata, surface water and groundwater, as applicable): (i) at the time of conveyance, at a level or concentration that exceeds the Environmental Protection Act O. Reg. 153/04 (as amended) full depth generic site condition standards applicable to the intended use of such lands by the Region or any other remediation standards published or administered by governmental authorities applicable to the intended land use; and (ii) in such a manner, condition or state, or is emanating or migrating from such lands in a way, that would contravene applicable environmental laws.

SEPTEMBER 15, 2017

- THE preparation and delivery of the Phase I ESA, any subsequent environmental reports, other documentation, reliance and the Owner's certified written statement shall be provided at no cost to the Region.
  - THE Owner understands and agrees that any proposed access to Wellington Street West shall be provided at the sole discretion of the Region and at a location also determined by the Region on the existing or newly created lots of the subject lands. Such access (if allowed) is subject to detailed design and the Region will not be responsible for any cost associated with the access. Please contact [permits@york.ca](mailto:permits@york.ca) for inquiries for permitting new development accesses on regional roads
  - THIS application is subject to York Region's development applications processing fee as identified in By-law No. 2010-15. The review fee for Consent to Sever is \$800 for the first lot (severed + new lots) and \$150 for each additional lot created and the fee for Review and Approval of Environmental Site Assessment Report fee is \$1,500. These fees are required to proceed with the review.
  - PLEASE note that all payments shall be in the form of a certified cheque and made payable to "The Regional Municipality of York" and forwarded to the Development Review Coordinator, Planning and Economic Development Branch.
  - PRIOR to final approval, the Planning and Economic Development Branch shall certify that Conditions 1-6 have been met to its satisfaction.
7. SUBMISSION to the Secretary-Treasurer of written confirmation from Director of Corporate Services, or their designate; that the Applicant has satisfied all concerns below and as noted in the September 6, 2017 memo by Nicole Trudeau, Law Clerk:
- THAT the Owner be required to execute Memorandum of Understanding respecting cash-in-lieu of parkland dedication to satisfaction of Town's Legal Services Division.
8. SUBMISSION to the Secretary-Treasurer of written confirmation from Lake Simcoe Region Conservation Authority; that the Applicant has satisfied all concerns below and as noted in the September 6, 2017 memo by Melinda Bessey, Development Planner:

THAT the Owner pays the prescribed LSRCA Review Fee of \$500 per lot

*NOTE: Any and all written submissions relating to this Application that were made to the Committee of Adjustment before its Decision, and any and all oral submissions related to this Application that were made at a public meeting, held under the Planning Act, have been-taken into consideration by the Committee of Adjustment in its Decision on this matter.*
