

Town of Aurora COVID-19

Listing of Community Resources

Below is a list of external agencies that may be available to provide support to members of the community during the current COVID-19 State of Emergency. The list reflects the Town's understanding of resources that are available at this time; however, agencies may be operating at a reduced capacity or may have eliminated access to services during the COVID-19 outbreak. Please contact the agency directly to inquire as to the availability of services.

If you require access one of these resources in person, please follow the proper hygiene and physical distancing requirements as set out by the Province of Ontario. Additional information on these requirements is available on the Ontario Ministry of Health's website at the following link: www.ontario.ca/page/2019-novel-coronavirus#section-9

*All referrals to materials, including physical goods and design files (the "materials"), provided by the Town of Aurora (the "Town") are presented "as is" in a good faith effort to help with the COVID-19 pandemic. By using these materials, you do so at your own risk and will comply with any provincial and federal guidelines for use. The Town makes no and expressly disclaims any representations or warranties related to current condition, fitness of use, non-infringement, or compliance with regulatory standards; and is not liable for any claims or damage to any person or property of any kind, either as a result of use or as related to the materials. The Town's disclaimer of liability is a material consideration for the Town, without which, the Town would not offer such referrals to materials.
