Re: **Name Submissions for Library Square**

Whereas "Library Square" is a significant Town project for the redevelopment of our downtown core; and

Whereas naming of the Square is an important part of the project; and

Whereas the redevelopment of the Square will focus on more than just the Library;

1. Now Therefore Be It Hereby Resolved That staff be directed to create a process to receive name submissions for the square from the public and report back to Council with a recommendation; and
2. Be It Further Resolved That all Aurora residents be invited to make submissions.
