# MESSAGE FROM THE MAYOR

---

MAYOR TOM MRAKAS

Greetings from the Mayor's office! I'm thrilled to present the Spring and Summer 2025 Program Guide. This season, we're offering a fantastic array of activities and programs to keep you active, healthy, and engaged.

At the Town, we are as committed as ever to providing diverse and inclusive recreational opportunities. Whether you're interested in physical fitness, exploring your artistic side, or joining community events, this guide is your key to exciting spring and summer.

We're especially thrilled to be offering some really dynamic programs this season, including Swim Development, Minis in Motion, Rhythm Makers, Confident Leaders, Fit Minds and more.

I really do encourage everyone to take full advantage of these amazing offerings, as they're wonderful opportunities to learn something new, connect with neighbours, and create lasting memories in our beautiful town. Our community flourishes when we come together, and your participation helps us build a strong, vibrant Aurora.

For more information about our programs, services, and amenities, visit **[aurora.ca](https://aurora.ca)**. You can also access an electronic version of this guide at **[aurora.ca/ProgramGuide](https://aurora.ca/ProgramGuide)**.

# When Summer Hits, Math Skills Slip!

## *Transform Your Child's Summer*

Summer is time for fun, but it's also when kids lose up to 3 months of their math skills. Called "the summer slide," this seasonal learning loss can result in lower self-confidence and a lower chance of success in school in the fall. In only 2-3 sessions per week at Mathnasium, your child can avoid the summer slide and start the school year strong. Kids love our face-to-face instruction and fun activities. And Mathnasium fits with almost any schedule.

**Keep your child from backsliding this summer!**

## Sensory Swim Drop-in

Going swimming at an indoor or outdoor pool can be an overwhelming sensory experience for individuals with autism, sensory or other learning disabilities.

The Town of Aurora is proud to offer a Sensory Swim geared towards those who have sensory sensitivity and would benefit from swimming in a pool environment with reduced sensory stimulus.

For more information, visit [aurora.ca/SensorySwim](http://aurora.ca/SensorySwim)

## INCLUSION SERVICES

### Aqua Buddies

Through our volunteer program, we aim to place an available Aqua Buddy in a swim class to provide extra support where needed.

### Inclusive Swim Lessons

Integrated Aquatic classes are specifically designed for swimmers with disabilities. Aquatic staff are available to facilitate participation in group swim lessons. The aquatic staff will maintain a one-to-one instructor to swimmer ratio. The aquatic staff may provide redirection for safety reasons or to provide time for sensory breaks.

### Adapted Privates

Adapted Privates are specifically designed for swimmers with disabilities, and will feature one swimmer with one instructor focusing on specific skills requiring attention.

## SWIMMER 3

**Age: 6 to 12 years**

Swimmers will dive, do in-water front somersaults, and handstands. They'll work on 15 m of front crawl, back crawl and 10 m of whip kick. Flutter kick interval training increases to 4 x 15 m.

Prerequisite: Swimmer 2

This is accomplished through specialized programming, individualized support options and accessible facilities for patrons with disabilities or unique needs. Service animals are welcome at all Town owned and operated facilities.

### INTEGRATED OPPORTUNITIES

#### Additional Support

Participants with disabilities and unique needs are encouraged to take part in year-round recreation programs that suit their interests and hobbies. If assistance is required outside of the typical staff to participant ratio, individuals have the following options:

##### • 1:1 Town Support Staff

Inclusion 1:1 support staff are available to facilitate participation in all Town of Aurora recreation programs. A support staff may provide redirection for safety reasons and allow opportunities for sensory or emotional breaks. Upon request, the Town of Aurora will do their best to arrange a 1:1 support staff for a participant based on availability and resources. In most cases, 1:1 support can be arranged, however, we ask families to provide at least two weeks notice prior to the start of a program to allow for adequate time to confirm a staff member.

##### • External Support Workers

The Town of Aurora welcomes external personal support workers into all our programs and drop-ins at no additional registration costs. An external support worker can include a parent, family member, or paid external staff member at the expense of the family.

#### Participants require additional support if:

- They have extra support at school or at home;
- A physical, medical, or developmental/learning disability exists that affects the safety of others;
- Extra support is required at home for basic care such as dressing and toileting;
- The individual is currently associated with a support agency or program; or

### PEDESTRIAN TRAIL SYSTEM

The Town of Aurora is fortunate to have an extensive pedestrian trail system which connects many of its neighbourhood parks, Town facilities and open space corridors. Presently the Town maintains approximately 62 kilometers of trails.

Come out and enjoy a leisurely hike through the natural valley land setting of mixed forests, meadows and wetland habitats of the Holland River Valley. This is Aurora's longest trail corridor stretching from Evans Park on Bayview Avenue south of Vondorf Sideroad all the way up to St. John's Sideroad and includes the Tim Jones Trail (Nokiidaa Trail), the Klaus Wehrenberg Trail as well as the Sheppard's Bush trails. These trails link municipal facilities such as the Town Hall, the Senior's Centre and the Aurora Family Leisure Complex, as well as the Aurora Community Centre, Sheppard's Bush, and Lambert Willson Park.

Other significant trails include the Lakeview/Willow Farm Trail located within the forested hills of St. Andrews in northwest Aurora, the David Tomlinson Nature Reserve Trail in the Marsh Creek valley lands of northeast Aurora, and currently under construction, the Highland Gate trail in the former Highland Gates Golf Course lands.

All Aurora trails are considered multi-use, with the primary focus being pedestrian hikers. Opportunities also exist for cross country skiers. The majority of our trails are compact gravel surfaces with some asphalt sections through neighbourhood and community parks. Please note that our trails are not groomed or maintained during winter months, and conditions vary widely. Surface conditions can change dramatically during the winter to create potentially hazardous hiking and skiing conditions. All users are advised to respect other trail users, to stay on designated trails and to exercise caution at all times.

### COMMUNITY PARKS & SPORTS FACILITIES

The town currently has over 75 parks and open space areas including 44 playgrounds encompassing over 700 acres, 5 children's water-play splash pads, 35 soccer fields, 18 ball diamonds and a wide variety of other recreational activities. Please come out and enjoy what Aurora has to offer! Full details at [www.aurora.ca/parksandtrails](http://www.aurora.ca/parksandtrails)

### DAVID TOMLINSON NATURE RESERVE

The David Tomlinson Nature Reserve consists of marshland, open-water ponds, meadows and forests in the Marsh Creek valley lands located between Bayview Avenue and Leslie Street, north of Wellington Street East. Main access points include the Stronach Aurora Recreation Centre and Johnathan Bales Parkette.

Park users should note that much of the nature reserve contains environmentally sensitive areas and habitat for many species of flora and fauna, and the intent is to restrict pedestrian access to these areas to allow nature to flourish. We request that park users stay on the trails and respect the truly unique features that are contained within the nature reserve. Viewing platforms have been provided at

two critical locations and have been designed to screen pedestrians from wildlife that would otherwise be startled should pedestrians remain in plain view. Additional native trees and shrubs will be planted over the next few years to help buffer pedestrian activity from environmentally sensitive areas.

### MEMORIAL TREE & PARK BENCH DEDICATION PROGRAM

Would you like to establish "Lasting Roots" in your community? Are you looking for a unique gift idea for that special person or occasion? Perhaps you feel like making an investment in greening your community? If so, we encourage you to contact the Parks Division to find out more about the memorial tree planting and park bench dedication program. Please call 365-500-3134 or email [sking@aurora.ca](mailto:sking@aurora.ca).

### AURORA ADOPT-A-PARK IS YOUR CHANCE TO GROW WITH THE COMMUNITY

Did you know that the Adopt-A-Park program provides local businesses, community groups and residents with the opportunity to enhance the environment and beautify our town by assisting with the maintenance and development of Aurora's parks and trail systems? Adopt-A-Park continues to:

- Create opportunities for citizens to support our parks and green spaces.
- Share the responsibility for a clean community.
- Develop opportunities for youth involvement.
- Build community pride and a sense of ownership in our parklands.

There are a number of ways to become involved in this exciting program. Please contact the Parks Division at 365-500-3134 for further information or email [sking@aurora.ca](mailto:sking@aurora.ca).
