

NATURE SENSORY BAG

Items Needed: 2 zip lock bags, water, various nature items (leaves, grass, flowers, etc.) & tape

Instructions:

1. Fill 1 zip lock bag about 1/3 full with water
2. Add in the nature items you have found
3. Close zip lock bag making sure there is little to no air inside. Place the zip lock bag into the second zip lock bag for additional protection and seal
4. Tape zip lock bag to a table or window and play!

OIL & WATER SENSORY BAG

Items Needed: 2 zip lock bags, baby oil, food colouring, water & tape

Instructions:

1. Add baby oil, then food colouring into one of the zip lock bags and combine
2. Add water into the bag
3. Close zip lock bag making sure there is little to no air inside. Place the zip lock bag into the second zip lock bag for additional protection and seal
4. Tape zip lock bag to a table or window and play!
