

# Extra Goopy Crispy Rice Cereal Treats

## Ingredients & Supplies:

- 6 Cups Crispy Rice Cereal
- 8 Cups Mini Marshmallows
- ¼ Cup Butter
- Cooking Spray
- Large Pot
- Baking Dish

## Step 1:

In the large pot, melt the butter. Add 6 cups of marshmallows, stir until melted.

## Step 2:

Remove the pot from heat. Add crispy rice cereal and mix it in.

## Step 3:

Here is the “extra goopy” part! Add in the last 2 cups of marshmallows! Mix until all is incorporated.

## Step 4:

Spray the baking dish with cooking spray and pour the delicious mixture into the greased dish. Pat it down, and smooth it out. Pro tip – spray the back of a rubber spatula with cooking spray before patting down, the mixture won't stick! Let it cool, then slice and enjoy!
