

WHAT IS CORONAVIRUS?

A SOCIAL STORY

CORONAVIRUS IS A DANGEROUS ILLNESS THAT CAN MAKE
PEOPLE IN OUR COMMUNITY FEEL SICK

CORONAVIRUS IS ALSO KNOWN AS “COVID-19”.
YOU MAY SEE THIS ON THE TV OR IN THE NEWS

COVID-19 CORONAVIRUS

WHEN PEOPLE GET CORONAVIRUS, THEY MAY
GET A FEVER OR HAVE TROUBLE BREATHING

PEOPLE WITH CORONAVIRUS MAY GET BETTER IN THEIR HOME

SOME PEOPLE MAY GET BETTER BY GOING TO
THE HOSPITAL FOR HELP

UNTIL THE VIRUS IS GONE, WE MUST STAY
INDOORS WITH OUR FAMILIES

THE DOCTORS HAVE TAUGHT US WAYS WE
CAN STAY SAFE AND NOT SPREAD GERMS

FIRSTLY, WE MUST STAY INDOORS. THIS MEANS WE CANNOT GO TO SCHOOL, TO OUR FAVOURITE STORE, OR TO THE MOVIE THEATRE

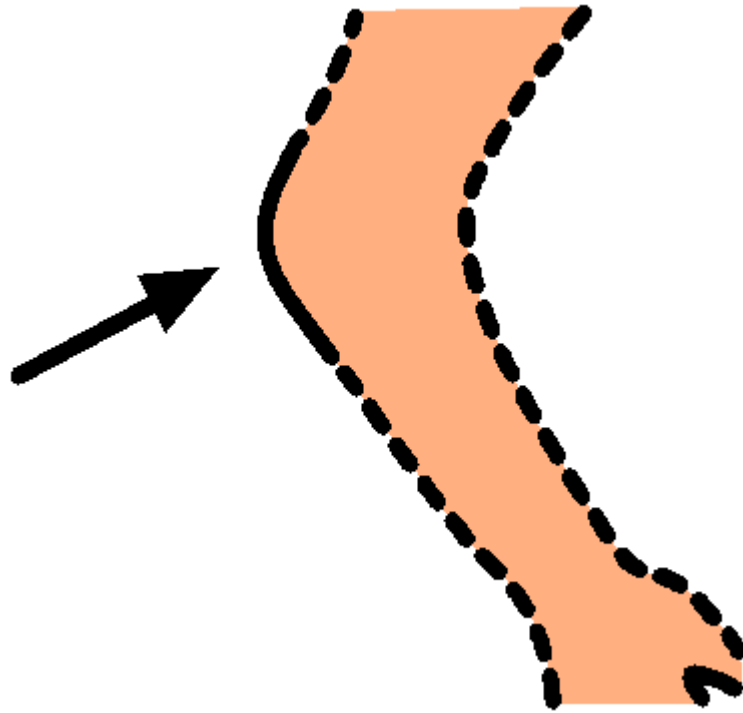

WE MUST WASH OUR HANDS MANY TIMES
THROUGHOUT THE DAY FOR 20 SECONDS EACH TIME

20 SECONDS

WE MUST SNEEZE INTO OUR ELBOW

THERE ARE MANY THINGS I CAN DO AT HOME INSTEAD.
LIKE LEARN FROM A DIFFERENT ADULT, PLAY GAMES, OR
DO ARTS AND CRAFTS

THIS WILL FEEL DIFFERENT THAN WHAT I AM
USED TO

BUT, I SHOULD NOT FORGET THAT I AM LOVED
AND I AM SAFE

I DO NOT NEED TO BE AFRAID. THERE ARE MANY
PEOPLE HELPING AND SUPPORTING EACH OTHER

ONE DAY, CORONAVIRUS WILL BE GONE

~~COVID-19
CORONAVIRUS~~

WHEN THAT DAY COMES, WE CAN RETURN TO OUR
FAVOURITE PLACES

WE WILL ALSO RETURN TO SCHOOL TO SEE OUR FRIENDS.
THIS WILL BE A HAPPY DAY!
