Becoming a Volunteer

Neighbourhood Network

Neighbourhood Network multiplies community giving to create caring and vibrant neighbourhoods through promoting volunteerism, linking resources, and supporting local charities and agencies. Neighbourhood Network is partnered with the Town of Aurora, and is the town's official volunteer resource.

In response to COVID-19, Neighbourhood Network has shared some easy ways for you to safely support your community. You can also find other volunteer opportunities listed on our website as more and more of our charitable partners evolve their volunteer initiatives into digital opportunities.

Making a Donation

Neighbourhood Network

Neighbourhood Network has established a master list of most urgently needed items for our charitable partners who are on the front-lines providing important services to those in need and at risk in our communities. We encourage you to make a donation if you are able to support these important organizations. We are happy to help coordinate a donation on your behalf, and work with you to better understand how to maximize your gift to support our community.
