**Geoffrey Dawe, Mayor,**

**Town of Aurora,**

**100 John West Way,**

**Aurora, ON L4G 6J1**

**June 20, 2014**

*Dear Mayor Dawe:*

*I write to you today on behalf of the Board of Governors of the Aurora Sports Hall of Fame to ask you and the Aurora Town Council to consider a donation of \$5000.00 as a Charter Cornerstone Donor.*

*I attach an excerpt from the Donor and Sponsorship Program that refers directly to the Charter Cornerstone Donation and hope you and the Council will review the document and give this request consideration.*

*All Charter Cornerstone Donors will be forever recognized in the Aurora Sports Hall of Fame for their early contribution to the project at a time when sustainability is being established. It is the Town's opportunity to show financial support for the work of many volunteers who have brought the Sports Hall of Fame to a reality. It also demonstrates the value you place on the Sport Organizations and programs of Aurora who have helped build a tradition of excellence that is celebrated in the Sports Hall of Fame. Finally, your donation will help to build a valuable cultural asset for the Town that will endure.*

*Please consider this important donation and help us preserve and celebrate our proud sport history and honour those who have created a sport legacy for others to follow.*

**Yours truly,**

**Ronald G. Weese**

**Chair, Aurora Sports Hall of Fame Board of Governors**

## **Financial Support for the Aurora Sports Hall of Fame**

Donating Funds through the Cornerstone Committee helps the Aurora Sports Hall of Fame do a number of things essential to success:

1. Support Inductees and families at the event and subsequent events.
2. Ensures that all important celebration plaques and awards are supported for use in the Aurora Sports Hall of Fame and for the Inductees.
3. Maintains the public presence of the Aurora Sports Hall of Fame through the Web-Site and the Hall itself, providing funds to maintain the assets of the Aurora Sports Hall of Fame.

The Cornerstone Committee has identified a number of strategies and has implemented them in the Community to generate funds. One such strategy is to ask for consideration as a recipient of charity golf tournaments. Another important funding strategy is to campaign locally for “Cornerstone Donors”.

These donors are those who advance funds because they:

1. identify with sport in Aurora because of their commercial, economic or employment involvement.
2. value the socio-economic impact that sport plays in the Community.
3. operate philanthropic foundations who have, as one of their objectives, the support of Community-based organizations that celebrate sport accomplishments or value sport culture and preservation of sport heritage.
4. wish to advance the Mission, Vision and Beliefs of the Aurora Sports Hall of Fame.

**Presently, there is a critical need for funding and Cornerstone Donors are sought to help sustain the Aurora Sports Hall of Fame in this Community.**

Cornerstone Donors can help by participating in the following types of funding:

*Their Legacy. Our Future.*

Once this first year is completed, there will be no more opportunities to become a Charter member and join this elite group of contributors.
