

SMALL URBAN GTHA MAYORS MEET WITH PRIME MINISTER JUSTIN TRUDEAU

For Immediate Release
May 7, 2021

“Today the Small Urban GTHA Mayors had the opportunity to meet with Prime Minister Justin Trudeau and Members of Parliament representing the GTHA.

Some of the issues discussed were the need for greater broadband connectivity, vaccine rollout, travel bans, addressing gun violence, licensing of cannabis facilities, and the current housing market. The dialogue was productive, and collaborative as the Prime Minister addressed each of the issues raised.

It is only through open dialogue and communication with our Federal partners that municipalities can respond to concerns as a result of changes in legislation impacting our communities. We are grateful to the Prime Minister and our Federal Members of Parliament for their continued partnership and support and look forward to continuing to work together in response to the issues raised today.”
