

# Proclamation

---

## **Amyloidosis Awareness Month**

**March 2024**

**Whereas** Amyloidosis is a group of diseases caused by deposits of an abnormal protein, known as amyloid, in one or more organs in the body which if left untreated, could lead to organ failure and death; and

**Whereas** due to lack of awareness amongst the medical community and the general public, Amyloidosis is rarely diagnosed early; and

**Whereas** the Town of Aurora recognizes and acknowledges the importance of greater awareness and understanding of the diseases that cause Amyloidosis which will lead to earlier detection and treatment of these diseases and promote better health outcomes for those who have them.

**Therefore be it resolved that**, on behalf of the Corporation of the Town of Aurora, I, Mayor Tom Mrakas, do hereby proclaim **March** as **Amyloidosis Awareness Month** in the Town of Aurora.

Tom Mrakas  
Mayor
