Flashback Film Series: Romeo & Juliet

September 18 | 7 p.m.

Grab your girlfriends, lover, or sworn enemy, and step into a night of romance, rebellion, and Shakespearean drama! Flashback Film Series is bringing Baz Luhrmann's 1996 Romeo & Juliet back to the big screen in swoon-worthy style.

Make it a night out to remember, dress in your most whimsical, dreamy, or star-crossed-lover-inspired looks and immerse yourself in this iconic cinematic love story. Whether you're drawn to the poetry, the passion, or the electrifying visuals, this is your chance to experience the film anew, surrounded by friends, fashion, and a little bit of dramatic flair. Because some love stories are meant to be shared...dramatically.

The Yacht Rock Show

September 26 | 7:30 p.m.

Enjoy Canada's Premier 70s & 80s Smooth Rock Tribute! Cruise through this nostalgic journey with faithful renditions of the iconic smooth rock sounds of the mid '70s & '80s that defined a generation. Experience an unforgettable musical voyage at this Yacht Rock party—layered with lush harmonies and smooth grooves. The Yacht Rock Show performs classic hits from artists that shaped the genre, including: Toto & Styx, Michael McDonald, Christopher Cross, Kenny Loggins, The Doobie Brothers, Boz Scaggs, Steely Dan, Gerry Rafferty, Player, Little River Band, Ambrosia and more.

Flashback Film Series: Scream

October 23 | 7 p.m.

Sharpen your knives and silence your phones, Scream is back on the big screen to celebrate 20 years of iconic terror. Director Wes Craven's razor-smart reinvention of the slasher genre turns horror tropes inside out, blending chilling suspense with wickedly self-aware humour. When a masked killer stalks the seemingly quiet town of Woodsboro, no one is safe, and everyone is a suspect. Featuring unforgettable performances, endlessly quotable dialogue, and a killer soundtrack of 90s nostalgia, Scream is as thrilling and subversive today as it was when it first shocked audiences. Whether you're a longtime fan or seeing it for the first time, this Flashback screening invites you to relive a film that changed horror forever. Just remember: the rules still apply.
