### **"A Sense of Place"**

#### **Artwork by Kate Greenway.**

This exhibition brings together watercolours inspired by landscapes, gardens, animals, birds, and quiet built spaces encountered both close to home and while travelling. Through careful observation and the luminous transparency of watercolour, each painting reflects the character of a particular moment—light on a field, a resting animal, a familiar street, or a distant view. Together the works explore how places shape our experiences and memories, revealing the quiet connections between environment, presence, and time.

View in-person at Aurora Town Hall in the Skylight Gallery. View online at [www.aurora.ca/skylightgallery](http://www.aurora.ca/skylightgallery). All work is for sale. Please contact Sarah Reynolds at [sreynolds@aurora.ca](mailto:sreynolds@aurora.ca) if you are interested in investing and owning a beautiful artwork piece.
