"Fleeting Grace"

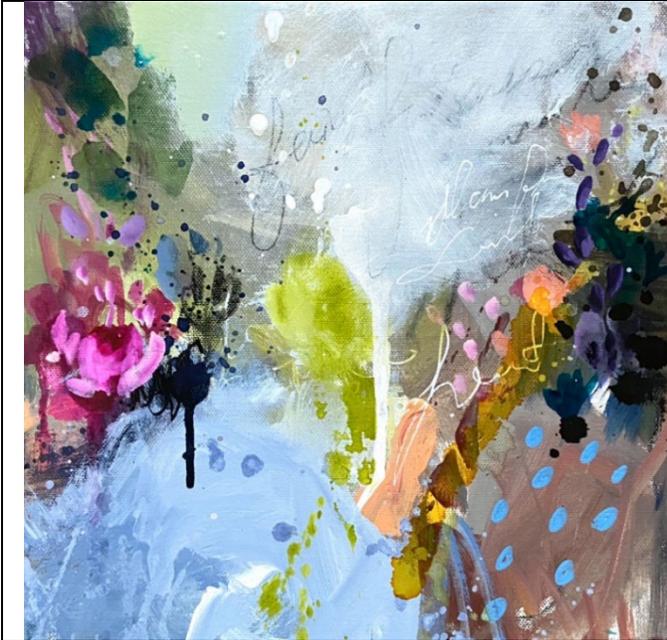

Artwork by Celeste Kim.

Fleeting Grace grows out of my ongoing exploration of flowers as symbols of the soul—each one unique, fleeting, and alive with presence. I'm drawn to the way a flower flourishes briefly, dancing in its bloom before fading, mirroring the rhythms of our own lives. Through bold color, fluid form, and expressive movement, my paintings meditate on this delicate journey of becoming, being, and letting go, seeking to capture not just the image of a flower, but its essence—its joy, vulnerability, and quiet resilience.
