Online Skylight Gallery Exhibition

Featured Artists: Anni Bretschneider - Inviting Movement

How do we trust and surrender to movement? This body of work is an exploration of that question, a practice in the art of letting go and following the subtle nudges, hunches, and inclinations whether they're inspired from within or the outside world of pictures. Serious playful effort and abandon, expressed through visible or veiled line, shape, in layers of colour as a feeling or place that lives in my memory. View in-person at Aurora Town Hall in the Skylight Gallery. View online at aurora.ca/SkylightGallery. All work is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful piece of art.
