Performances

Presented by the Town of Aurora

Flashback Film Series: Romeo & Juliet

September 18 | 7 p.m.

Grab your girlfriends, lover, or sworn enemy, and step into a night of romance, rebellion, and Shakespearean drama! Flashback Film Series is bringing Baz Luhrmann's 1996 Romeo & Juliet back to the big screen in swoon-worthy style.

Make it a night out to remember, dress in your most whimsical, dreamy, or star-crossed-lover-inspired looks and immerse yourself in this iconic cinematic love story. Whether you're drawn to the poetry, the passion, or the electrifying visuals, this is your chance to experience the film anew, surrounded by friends, fashion, and a little bit of dramatic flair. Because some love stories are meant to be shared...dramatically.

The Yacht Rock Show

September 26 | 7:30 p.m.

Enjoy Canada's Premier 70s & 80s Smooth Rock Tribute! Cruise through this nostalgic journey with faithful renditions of the iconic smooth rock sounds of the mid '70s & '80s that defined a generation. Experience an unforgettable musical voyage at this Yacht Rock party—layered with lush harmonies and smooth grooves. The Yacht Rock Show performs classic hits from artists that shaped the genre, including: Toto & Styx, Michael McDonald, Christopher Cross, Kenny Loggins, The Doobie Brothers, Boz Scaggs, Steely Dan, Gerry Rafferty, Player, Little River Band, Ambrosia and more.

Flashback Film Series: Scream

October 23 | 7 p.m.

Sharpen your knives and silence your phones, Scream is back on the big screen to celebrate 20 years of iconic terror. Director Wes Craven's razor-smart reinvention of the slasher genre turns horror tropes inside out, blending chilling suspense with wickedly self-aware humour. When a masked killer stalks the seemingly quiet town of Woodsboro, no one is safe, and everyone is a suspect. Featuring unforgettable performances, endlessly quotable dialogue, and a killer soundtrack of 90s nostalgia, Scream is as thrilling and subversive today as it was when it first shocked audiences. Whether you're a longtime fan or seeing it for the first time, this Flashback screening invites you to relive a film that changed horror forever. Just remember: the rules still apply.

Sensory Swim Drop-in

Going swimming at an indoor or outdoor pool can be an overwhelming sensory experience for individuals with autism, sensory or other learning disabilities.

The Town of Aurora is proud to offer a Sensory Swim geared towards those who have sensory sensitivity and would benefit from swimming in a pool environment with reduced sensory stimulus.

AURORA LIFESAVING CLUB

The Aurora Lifesaving Club (ALC) is a Town based Lifesaving Club that engages athletes to be physically active, while participating in Lifesaving Sport. This club-based program has focused on youth for several years. We are now introducing an adult program. ALC members will develop lifesaving skills and engage in active living through participation in practice sessions, along with an option to try their skills at regional and provincial competitions. This is the perfect youth training program for future lifeguards. It is also an opportunity for adults to learn or refresh old skills and to challenge themselves.

Benefits of Joining the ALC

- Develop increasingly complex skills in swimming, including stroke correction, endurance and speed.
- Promotes overall physical fitness.
- Use it as a supplement with Learn to Swim lessons or as a different option.

Service animals are welcome at all Town owned and operated facilities.

INTEGRATED OPPORTUNITIES

Additional Support

Participants with disabilities and unique needs are encouraged to take part in year-round recreation programs that suit their interests and hobbies. If assistance is required outside of the typical staff to participant ratio, individuals have the following options:

• 1:1 Town Support Staff

Inclusion 1:1 support staff are available to facilitate participation in all Town of Aurora recreation programs. A support staff may provide redirection for safety reasons and allow opportunities for sensory or emotional breaks. If your participant requires 1:1 support, please register in the corresponding day of 1:1 Support for this season's Registered Programs & Workshops code. Note: Space is limited.

• External Support Workers

The Town of Aurora welcomes external personal support workers, with a valid Police Vulnerable Sectors Check, into all our programs and drop-ins at no additional registration costs. An external support worker can include a parent, family member, or paid external staff member at the expense of the family.

Participants require additional support if:

- They have extra support at school or at home;
- A physical, medical, or developmental/learning disability exists that affects the safety of others;
- Extra support is required at home for basic care such as dressing and toileting;
- The individual is currently associated with a support agency or program; or

KNITTING: MOSAIC & SLIP STITCH

Age: 55+ years

Location: ASC

A current, popular trend is color knitting using 2 related knitting techniques, mosaic and slip stitch knitting. Both differ from stranded colour work where 2 or more colours are knit together in the same round or row. Mosaic and slip stitch are easier in that only one colour is knit at a time and designs are usually charted. Check patterns called Shift, Nightshift, Swell or Hearthstone Wrap on Ravelry to see interesting examples of these techniques. Supplies needed are 3 or 4 different colours of yarn, preferably the same weight, proper sized needles for your yarn and other usual knitting implement, scissors and stitch markers.

PEDESTRIAN TRAIL SYSTEM

The Town of Aurora is fortunate to have an extensive pedestrian trail system which connects many of its neighbourhood parks, Town facilities and open space corridors. Presently the Town maintains approximately 62 kilometers of trails.

Come out and enjoy a leisurely hike through the natural valley land setting of mixed forests, meadows and wetland habitats of the Holland River Valley. This is Aurora's longest trail corridor stretching from Evans Park on Bayview Avenue south of Vondorf Sideroad all the way up to St. John's Sideroad and includes the Tim Jones Trail (Nokiidaa Trail), the Klaus Wehrenberg Trail as well as the Sheppard's Bush trails. These trails link municipal facilities such as the Town Hall, the Senior's Centre and the Aurora Family Leisure Complex, as well as the Aurora Community Centre, Sheppard's Bush, and Lambert Willson Park.

Other significant trails include the Lakeview/Willow Farm Trail located within the forested hills of St. Andrews in northwest Aurora, the David Tomlinson Nature Reserve Trail in the Marsh Creek valley lands of northeast Aurora, and currently under construction, the Highland Gate trail in the former Highland Gates Golf Course lands.

All Aurora trails are considered multi-use, with the primary focus being pedestrian hikers. Opportunities also exist for cross country skiers. The majority of our trails are compact gravel surfaces with some asphalt sections through neighbourhood and community parks. Please note that our trails are not groomed or maintained during winter months, and conditions vary widely. Surface conditions can change dramatically during the winter to create potentially hazardous hiking and skiing conditions. All users are advised to respect other trail users, to stay on designated trails and to exercise caution at all times.

COMMUNITY PARKS & SPORTS FACILITIES

The town currently has over 75 parks and open space areas including 44 playgrounds encompassing over 700 acres, 5 children's water-play splash pads, 35 soccer fields, 18 ball diamonds and a wide variety of other recreational activities. Please come out and enjoy what Aurora has to offer! Full details at www.aurora.ca/parksandtrails

DAVID TOMLINSON NATURE RESERVE

The David Tomlinson Nature Reserve consists of marshland, open-water ponds, meadows and forests in the Marsh Creek valley lands located between Bayview Avenue and Leslie Street, north of Wellington Street East. Main access points include the Aurora Recreation Centre and John Abel Park.

Park users should note that much of the nature reserve contains environmentally sensitive areas and habitat for many species of flora and fauna, and the intent is to restrict pedestrian access to these areas to allow nature to flourish. We request that park users stay on the trails and respect the truly unique features that are contained within the nature reserve. Viewing platforms have been provided at

two critical locations and have been designed to screen pedestrians from wildlife that would otherwise be startled should pedestrians remain in plain view. Additional native trees and shrubs will be planted over the next few years to help buffer pedestrian activity from environmentally sensitive areas.

MEMORIAL TREE & PARK BENCH DEDICATION PROGRAM

Would you like to establish "Lasting Roots" in your community? Are you looking for a unique gift idea for that special person or occasion? Perhaps you feel like making an investment in greening your community? If so, we encourage you to contact the Parks Division to find out more about the memorial tree planting and park bench dedication program. Please call 365-500-3134 or email tgignac@aurora.ca.

AURORA ADOPT-A-PARK IS YOUR CHANCE TO GROW WITH THE COMMUNITY

Did you know that the Adopt-A-Park program provides local businesses, community groups and residents with the opportunity to enhance the environment and beautify our town by assisting with the maintenance and development of Aurora's parks and trail systems? Adopt-A-Park continues to:

- Create opportunities for citizens to support our parks and green spaces.
- Share the responsibility for a clean community.
- Develop opportunities for youth involvement.
- Build community pride and a sense of ownership in our parklands.

There are a number of ways to become involved in this exciting program. Please contact the Parks Division at 365-500-3134 for further information or email tgignac@aurora.ca.
