## **"Nature Abstracted: A Journey Through Organic Form and Dreamscape"**

### **Artwork by Zorica Miric.**

A message from the artist: "My journey through organic form and dreamscapes is inspired by nature's boundless artistry. This collection explores the organic shapes, intricate patterns, and vivid colours that the natural world offers – from the spiral of a nautilus shell to the curve of a petal or the shifting forms of wind.

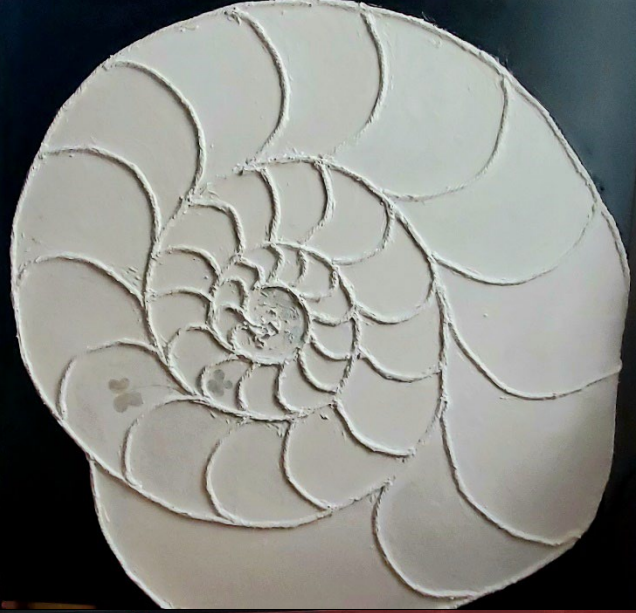

It is an abstract conversation with nature."
