"Birds of a Feather"

Artwork by Beth Boudreau.

Growing up in a large family in the country, Beth spent most of her childhood exploring the fields and woods nearby. This created her love of nature where even a raindrop on a leaf inspired wonder!

Beth has been painting nature for many years, exploring many styles and techniques. She works in various media: acrylic, oil, watercolour and collage. Painting with vibrant colours truly reflects her love of abstracted landscapes and nature subjects - such as birds and plants.

Her "Birds of a Feather" exhibition comes as a result of many years observing, listening to, and capturing the essence of all species of birds.

View in-person at Aurora Town Hall in the Skylight Gallery. View online at www.aurora.ca/skylightgallery. All work is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful artwork piece.
