Online Skylight Gallery Exhibition

Featured Artists: Tom Wray - Journeys

This photography exhibition takes you on a visual journey through four unique and awe-inspiring destinations. The view through the lens captures the distinctive beauty, culture, and natural wonders that define these places. The journey begins in Canada - but there is so much more to discover - this is but a glimpse. In Iceland, otherworldly glaciers and volcanic landscapes create surreal atmospheric scenes. From Iceland to the romantic charm and historic grandeur of France, to the lush green hills and dramatic coastlines of Ireland, and finally to the vast, rugged wilderness of Canada, this exhibition invites viewers to explore a rich tapestry of natural and urban landscapes. Stark contrasts between fire and ice, where volcanic craters, cascading waterfalls, and the northern lights are immortalized in powerful imagery. This exhibition is a celebration of the diverse beauty found across continents, a testament to the power of photography to capture not just places, but the soul of the land itself. View in-person at Aurora Town Hall in the Skylight Gallery. View online at [aurora.ca/SkylightGallery](https://aurora.ca/SkylightGallery). All work is for sale. Please contact Sarah Reynolds at [sreynolds@aurora.ca](mailto:sreynolds@aurora.ca) if you are interested in investing and owning a beautiful piece of art.
